March 27 meeting Selectmen short-takes

By SHAWN P. SULLIVAN
WILMINGTON - Unlike recent meetings, when the Board of Selectmen met on March 27 there were no impassioned public hearings about dogs in attack mode, autobody garage fumes polluting a local neighborhood, or what exactly constitutes the act of dining in an alcohol-serving restaurant.

Indeed, the Monday night meeting adjourned after approximately 75 breezy minutes.

Here, then, is a brief summary of the agreeable topics that the Board of Selectmen did tackle.

• GIVE THE DOG A BONE.

In a letter to the board, Town Manager Michael Cairns notified the selectmen that Anthony Vieira has complied with the board's order that he restrain his 120-pound German Shepard, Zeus.

Zeus, you may recall, is the family dog who was accused of terrorizing the Vieiras' neighbors on Kenwood Avenue. At a public hearing that was held last month, it was decided by the board that Vieira had to construct a six-foot cage for Zeus to stay in while he is out in the family yard. The

cage had to include a solid floor and cover, in order to prevent the dog from digging himself free or jumping out of his confinement. The board had given Vieira two weeks to comply with the order.

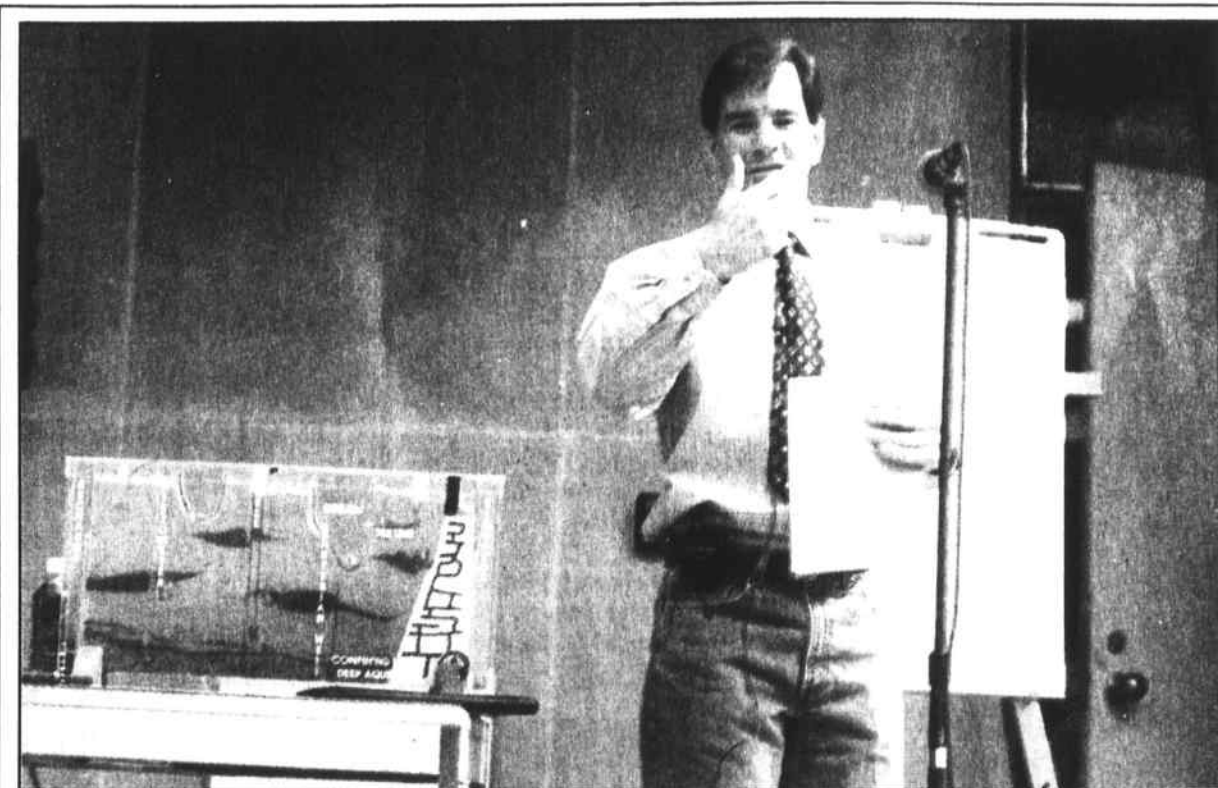

• **FASTER AND BETTER?** David Alemian, a Government Relations Representative from Metricom, a wireless technology company, spoke to the board about the benefits of making his company's Internet network available in Wilmington. Alemian maintains that the network, called Ricochet 2, is superior to other Internet resources, such as cable and Digital Subscriber Lines (DSLs).

The selectmen have agreed to research this new technology and respond to Alemian in good time.

Alemian informed the board that many neighboring communities, including the city of Boston, have embraced Metricom's service as its Internet technology. He told the board that Metricom could have Ricochet 2 up and running by early 2001, if not sooner.

If you are interested in researching this technology, you

Selectmen race

Three running for three years

By SHAWN P. SULLIVAN
WILMINGTON - One open seat, three determined candidates.

This season the Selectmen's race feels like a game of musical chairs. Tunes of campaign promises are filling the air, three Wilmington men are circling the one seat that is available, and on April 15 voters will take the needle off the record when they cast their votes at the polls.

Only one gentleman will get to sit down.

Who will it be?

The incumbent, Selectmen Chairman ROBERT CAIN, is seeking a re-election that would continue a run on the board that began in 1978.

Cain knows first-hand that as a policy-making board, the Board of Selectmen has a strong effect on the community. If re-elected, he wants to continue the efforts that he has helped make to develop a town center for Wilmington.

"I think the town has a good character," says Cain. "We have a Town Center Committee that we're working with to develop the by-laws that will allow us to bring

more businesses into the community."

In recent memory, Cain has been an especially strong voice in expressing the town's general opinion that the upcoming MBTA parking lot is not a good idea.

"The effect that this MBTA parking lot has had on Wilmington has been a tragedy," he states. "If you're somebody who has to take the train to work, then it will probably be a good place to park. The problem, though, is that there is going to be 227 parking spaces. That's a lot of traffic at all hours of the day. Plus, these are going to be eight-foot parking spots. I measured my own car. Without the doors being open, it is already eight feet wide. Usually, parking spaces are required to have a minimum of nine feet of space. People will not park in spots that small. They'll most likely park and take up other spaces, as well, so in truth there will be only 200 spaces."

If people agree with Cain that the state of the town is strong, then they will likely not want to fix something that is not broken.

"The town is doing well," says the man who has been on its front line for 22 years now. "Whenever a decision has to be made by the Town Manager and the Board of Selectmen, we try to look at the long-range effect of the choices that we make."

Adds Cain, "I feel that people feel as though they can come to me to ask questions about the town or find out what is going on. Sometimes situations get emotional. You need a buffer in times like that, and I believe that I have served in that capacity."

Concludes Cain, "I've seen the town change a great deal. I hope that I have played a part in making it change for the best."

DARYN MARSH, the second candidate, has cast himself as the Everyman in the race, using his quaint home-town roots in Wilmington to position himself as the true "residential voice" in the race.

"My wife and children and I live in the very house that I've lived in since my parents brought me home from the hospital 35 years ago," he says. "I'm a product of the Wilmington public school system, in that I attended the Buzzell School, the Swain School, the West Intermediate School, and the high school."

His wife, Robin, is a native of Wilmington, as well. In fact, the two of them got married after a courtship that began all the way back when they were in the fourth grade.

Marsh cites his can-do organizational skills as an example of how he could get things done if indeed his fellow Wilmingtonians vote and agree to send him to

Haz-Mat coming to town

By CHARLOTTE COOPER
WILMINGTON - Sixteen Upton Drive will have a new occupant in the next few months.

Martin Wood, president for the Institute of Environmental Education, presented his plans for the building on Upton Drive. The building was originally used for office space and will need to be converted to classrooms. The building is about 10,800 feet.

"I know [Ms. Duncan] had a problem with the parking," said Mr. Wood. "We won't be doing any external changes, only internal. We've added 50 parking spaces, the parking has been doubled." He said that the most students they will have at any one given time is seventy.

"We do environmental health and safety training," Mr. Wood said. "We're a trade school licensed by the Commonwealth of Massachusetts." He said that they conduct environmental health and safety programs in a variety of areas, dealing with asbestos and lead paint, indoor air quality, and construction safety.

"We provide courses for individuals as well as corporate clients," Mr. Wood said. He said that they also provide HazMat training, emergency response training, and confined space training. "We do a number of different courses that range from two hours up to 40 hours for a program, and then we have programs that are one month to three or four months," he added.

He said that the longer programs are usually for people who want to change careers and get into new careers. "We offer job placement assistance for those types of individuals as well," Mr. Wood said.

"Our current set up in Woburn is for five classrooms," Mr. Wood said. He indicated that sometimes they need to split classes in half for ease of teaching.

"The [highest] number of attendees is on a Saturday," Mr. Wood said. He said that usually, they have about 35, but Saturday there can be more.

"I'm concerned that the sand-

Town meeting

Warrant summary, Part two

By SHAWN P. SULLIVAN
WILMINGTON - Last week the Town Crier summarized the first 19 articles that can be found in the Town Meeting warrant that was closed and signed by the Board of Selectmen at their March 13 meeting.

Here is the second article of three that has been designed to acquaint readers with the 57 matters on which they will vote at the April 22 Town Meeting to be held at the Wilmington High School

gymnasium. Following is a summary of Articles 20 through 38:

• **VOTERS WILL HAVE TO GO DOWN THIS ROAD.** With Article 20, residents will have an opportunity to vote to accept or not to accept the financial responsibilities of these following streets, as laid out by the Selectmen and recommended by the Planning Board: Emerald Avenue; Isabella Way; Marion Street; Nelson Way; and Somerset Place. Plowing, paving and painting are examples of such financial responsibilities.

• **OBSERVANCES AND HEADQUARTERS.** Should \$5,000 be raised for the observances of Memorial Day and Veteran's Day? The outcome of Article 21 will determine the answer. Residents will vote on Article 22 to determine whether or not the town can use \$2,250 to fund the lease renewals of the Nee-Ellsworth Veterans of Foreign Wars Post 2458, the Marine Corp League, and Wilmington Post 136 of the American Legion.

• **SENIOR CONCERNS.** The Town's Senior Citizen Tax Work-Off Program provides resident

senior citizens with the opportunity to do work for the town. A vote in favor of Article 23 would allow funds to be raised for such opportunities to continue.

• **IT'LL TAKE MORE THAN 5-CENT LATE FEES.** At the April 24 Town Meeting held in 1999, funds were appropriated for the library expansion that the town would like to build. Article 24 will provide residents with a chance to vote for or against supplementing such funds with 2001 budget money, as well. Funds are needed to conduct analyses for the library expansion and to determine its architectural schematics.

• **HISTORY.** Residents will vote whether or not to appropriate money for the Historical Commission that will enable it to apply for a partially-reimbursable survey and a planning grant from the Massachusetts Historical Commission. The survey and grant would allow the Commission to complete an inventory on historical places in town. A structural review of the Colonel Joshua Harnden Tavern on Salem Street would also be

HELPING OUT
THE FOLKS

Grown children who support their parents may qualify for certain tax breaks. Here are some options.

A child may qualify for an extra dependency exemption for supporting a parent—if the parent does not have gross income of more than \$2,750 (without Social Security and certain other exempt amounts) and if the child supplies more than half the parent's support. If the parent lives in a portion of housing expenses can be included. If a child doesn't contribute enough to pay support for both parents, choose the one parent more likely to earn you an exemption. Even if the parent doesn't qualify as an exemption, it may be possible to pay and deduct the parent's medical expenses.

If several children jointly support a parent, only one can claim the exemption—usually the sibling in the highest tax bracket. The group must agree on who gets the exemption and sign a multiple support declaration—form 2120.

Remembering Friendly's

by LARZE NEILSON

The news this week that Friendly Ice Cream is closing 80 of its stores had no effect in Wilmington or Tewksbury, other than triggering some nostalgia. Friendly's at Wilmington Plaza closed a decade ago. The Tewksbury store will remain open.

The current round of closures came about because of changes in the marketplace. Ice cream is not as popular as it once was, with people more diet conscious now than they were a generation ago.

Friendly's came to Wilmington about 1965, occupying a brand-new storefront at the Plaza. The Plaza was in a growth phase at that time, and so was Friendly's. Before that, if you wanted ice cream in Wilmington, you'd go to the drug store. At the Wilmington Center Pharmacy, Leo Woodside would serve cones at the soda fountain, which had all of about six stools. Or there was the North Wilmington Pharmacy, which opened in 1959, also with a soda fountain.

Harry Sandler (in North Wilmington) did quite a business, employing high school girls, and occasional fellows, too. The soda fountain fixtures are now in Bernie Wagstaff's rec room. So when Friendly's arrived in town, it became an instant hit. The baby boom was just starting to graduate from high school, providing a good labor pool and an excellent customer base.

You could get an Awful-Awful 85 cents. A thick shake made with ice milk, because it was *awfully big and awfully good*. It later was renamed the Fribble as the company expanded into a state where someone else already owned the name Awful-Awful. They gave no explanation for the origin of the new name. Another favorite was their "Big Beef" sandwich, a square burger served on toast. And that was only a buck and a quarter.

With twenty stools and a dozen booths, Friendly's was a busy place. One of their earliest employees was Ron Bouvier, whose father owned a watch shop in North Wilmington. He flew around the store, a very hard worker. He later went in the Air Force and flew around the country as a crewman on Air Force One.

The term "fast food" hadn't been invented. If you wanted to go to a McDonald's, you had to wait until they built one in Reading. One popular hamburger stand was Carroll's in Stoneham, where you could get a burger for 15 cents. Another hot spot was Adventure Car Hop in Saugus, advertised by Arnie Ginsburg on WMEX, where you'd get a free 45-rpm record with your order.

Wilmington's only hamburger stand arrived in the late 60's when Jack-in-the-Box was built, opposite the north end of the Plaza. That led to the selectmen becoming worried that Main Street would become a strip of hamburger stands. The result was a by-law requiring that all restaurants, gas stations and car dealers go before town meeting for approval, under "high density" zoning. Jack-in-the-Box was owned by Ralston-Purina, which decided to close the chain after about ten years. The Jack-in-the-Box building became Bill and Bob's Roast Beef. Friendly's at the Plaza closed when they lost the lease. DeMoulas had rented the space to DeAngelo's. Yes, they sold ice cream, but Friendly's it's not.

Now even DeAngelo's is gone. Perhaps Wilmington will get another pizza shop.

Those fries could come to town

A McDonald's in Wilmington? Maybe. At least nobody would have to go to Reading for a Big Mac anymore.

On Tuesday, April 18 the Planning Board will be holding a Public Hearing to discuss the possibility of having those famous golden arches built at 212 Main Street. Currently, Mancini's Restaurant stands at this location.

If approved, Wilmington would no longer be the only community in the area to have missed a fast-food wave that began in the 1950s.

The hearing is being held on behalf of the site review plan that was submitted to the board on March 17 by Mark Vaughan, from the law firm Riener & Braunstein. Vaughan is representing the McDonald's Corporation, which is located at 690 Canton Street in Westwood.

The proposed MickeyDees would include a drive-thru lane. A copy of the plan is on file at the Planning and Conservation Department. On Mondays through Fridays, anyone who is interested in the plan is encouraged to stop by the department and view it between the hours of 8:30 a.m. and 4:30 p.m.

The Public Hearing will be open to the public. It is not yet known whether or not Grimace, the Hamburgerlar, or Ronald McDonald will attend.

Spring is Here!

Spring is here, hooray hooray
We love to play as we say hooray
We love the laughter and happiness it brings
We wake up joyfully with it's wings
We enjoy play with family and friends as we

HURDY GURDY, MONKEY AND ME. Readers who saw this photo on the front page last week must have thought that we at The Town Crier were monkeying around. Quite the contrary, we made an honest, gorilla-sized mistake. We thank readers for not going ape over the wrong caption used with this adorable shot of Lauren Azevedo, 5, getting a smooch from Coco the Capuchin Monkey. Lauren's mom, Lidia, appears at the far left. Tony the Organ Grinder is the guy in stripes. Both Tony and Coco drove local kids bananas with a show they put on at Wilmington Public Library on Tuesday, March 14. (Maureen Lamoureux photo)

Open house at the Y

WAKEFIELD - The Burbank/Wakefield YMCA in Wakefield will be hosting the second of two summer camp Open Houses on Saturday, April 1 from 11 a.m. to 1 p.m. The Open House will be held at the gymnasium at the Wakefield YMCA.

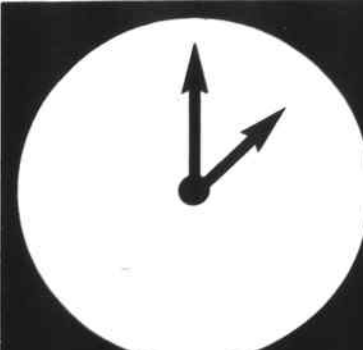

The Burbank/Wakefield YMCA Summer Camp Open House is an opportunity for members and non-members to meet the camp staff and see what the YMCA camping experience is all about. The directors for all eight camps will be available to meet with both parents and potential campers about what their specific camps have to offer.

The Burbank/Wakefield YMCA is proud to offer camps for children as young as 2.9 years up to children entering the 10th grade. Summer camps will be held at the Burbank YMCA, the Wakefield YMCA, and Camp Wakanda in Boxford. The Pre-School camp is held at the Burbank Y for children three to five years of age. The camp runs in one week sessions and is available in two, three or five day a week options.

For more information on summer camps or the open house, please call Dan Berry, at (781) 944-9622 x 229, or Jennifer Simpson, at (781) 944-9622 x 234.

ON YOUR MARK, GET SET, GO! Tiger Scout Cameron Garrant, of Den 2 in Wilmington Troop 56, earns his stripes during the annual Pinewood Derby that was held at the Wilmington Congregational Church on Saturday, March 18. Cameron's father, Scott, helped his son get the engines runnin' on the race car he built. Cheryl Reynolds, far left, waited for the signal to start the race. This photo appeared above the "Hurdy Gurdy, Monkey and me" cutline that was printed last week on the Town Crier's front page. We would like to thank young Cameron for having a good sense of humor about being called a monkey when, in fact, he should have been addressed as a Tiger. (Maureen Lamoureux photo)

Bottle drive will be music to ears of band and chorus

Are you finished with that can of Coke? Are you tired of looking at that paper bag filled with empty Sprite bottles?

Roger L. Whittlesey, the Band and Chorus director at the Tewksbury Memorial High School, says that there is a place where you can bring them.

Says Whittlesey, "On Saturday, April 8 the band and chorus will be holding a bottle drive to benefit Tewksbury's music students and supplement funds for scholarships."

The drive, which will take place at the high school, will begin at nine in the morning and will conclude at three in the afternoon.

Directions will be placed around the school to steer you towards the drive, where you can deposit your donations.

The bottle drive is but one activity that the band and chorus students are doing to stay in tune between now and June.

May will be an especially busy month. On the 5th, the chorus and band members will attend the Musical Carousel Festival in Agawam, Massachusetts. On the 19th, it will perform its annual Spring Pops Concert at the Wynn Middle School. After that, of course, comes Memorial day, on which the band and chorus will lead the annual parade through town.

Now about those empties...

Water main flushing to begin April 24

WILMINGTON - On April 24, the Water Department will begin its annual water main flushing and valve exercising program. The flushing program will be conducted Monday through Friday from 8 p.m. to 2 a.m. The program will take approximately six to eight weeks to complete.

Flushing the water mains aids in removing sediments that collect in the pipe line resulting in improved water quality. Unfortunately, this

work may temporarily cause some discolored water but should become clear after running your cold water for a few minutes. The water will remain safe to drink during this program.

If you have any questions or problems with your water, please call the Superintendent's Office at 658-4711. They wish to thank residents in advance for their patience in this endeavor.

Polling hours in Tewksbury: 8 - 8

TEWKSBURY - Town Clerk Elizabeth Carey, has informed registered voters that the polls will open at 8 a.m. and close at 8 p.m. on Saturday, April 1, 2000 for the Annual Town Election.

The new precinct locations are Precinct 1 and 1A, located at the DPW Building, 999 Whipple Road; Precinct 2 is located at the Teen Center, 286 Livingston Street; Pre-

cinct 2A remains at the Trahan School, 30 Salem Road; Precinct 3 is located at the Town Hall, 1009 Main Street; Precinct 3A is located at the Senior Center, 175 Chandler Street; and Precinct 4 is located at the Library, 300 Chandler Street.

Please call the town clerk's office at 640-4355 if you are not sure of your precinct location or to verify your voting status.

Whooping Cough update

The awaited results of a throat culture will determine whether or not a fourth case of the "whooping cough" has surfaced within the student body at Wilmington High School.

The first two cases of the cough, known technically as Pertussis, surfaced during the first half of this month. Since then, a third case has been diagnosed.

"We've been aggressive in doing all that we can to take care of these cases," says Norma Rushton, the High School Nurse. "As a result, we

are very hopeful that we're putting a stop to them."

The third case of Pertussis existed in a student who was one of the 140 students who were dismissed from school on March 7. Those students received the proper medical attention and returned to school the next day.

The fourth student -- the one who is awaiting those throat culture results -- was not one of the 140 students. Under normal procedure, Rushton, and school officials sent home any of the students who have more than one class a day with the fourth student. Those dismissed students have received the proper examination, and it seems that none of them are infected by the notorious cough.

The situation is well under control, Rushton says.

"The high school is in a healthy mode," she assures. "We have been treating these matters aggressively, and as a result they are nothing that exists outside the normal cycle of illness."

Wilmington to get \$239,527 from MWRA

WILMINGTON - Representative James R. Miceli (D-Wilmington) said recently that the Commonwealth Sewer Relief Funds for FY2000 have been calculated and will be distributed by the Massachusetts Department of Revenue. The funding for these grants was provided in the FY2000 budget enacted by the legislature and signed by the Governor. The FY2000 awards total \$58,948,685, which is 12.8 percent increase compared with the FY99 level.

Rep. Miceli is pleased to announce that the Town of Wilmington will receive \$239,527 directly through the Massachusetts Water Resource Authority. This distribution will be used to ease sewer rate increases arising from debt service obligations for sewer construction projects within the town. Rep. Miceli said, "As a member of the MWRA legislative caucus, it gives me a great deal of satisfaction to work hard on behalf of the ratepayers of Wilmington."

Absentee ballots are now available

WILMINGTON - Absentee ballots are now available for the Town Election, Saturday April 15, 2000. One may make application and vote in person during regular office hours at the Town Clerk's Office 8:30 a.m. to 4:30 p.m., up until noon the day before Election Friday, April 14, 2000. A ballot may also be requested by mail or fax, and a relative may also request a ballot on behalf of a voter. These require a request in writing sent to the Town Clerk. Any questions about absentee ballots,

please call 658-2030 or fax 978-658-3334.

Voters are also reminded that the Town now has three polling places. Precincts 1 and 2 vote at the West Intermediate School, Carter Lane; Precincts 3 and 4 vote at the Wildwood School and Precincts 5 and 6 vote at the Town Hall, 121 Glen Road. Polls are open 10 a.m. to 8 p.m. Please call 658-2030 with any questions to avoid delays on Election Day.

Retirement ages & rules changing

WILMINGTON - The Social Security retirement age is going up and the effects will be felt this year. "Most people do not know about the changes made 16 years ago in Social Security Amendments of 1983. The retirement age for those born in 1938 or later was raised in gradual steps from age 65 to 67," said Thomas M. Abbott, Social Security manager in Lowell.

If you were born before 1938, you will still be eligible for your full Social Security retirement benefit at the age of 65 and reduced benefits as early as age 62. However, those born in 1938 who retire "early" this year will find their benefit reduced from 20 to 20.8 percent.

Beginning in 2003, full retirement age for those born in 1938 or later will increase. For example, the full retirement age for those born in 1938 will increase to 65 years and two months.

"There are disadvantages and advantages to taking your benefit before your full retirement age, so contact Social Security before you decide to retire," urges Abbott. You can get more information about your retirement benefits by logging on their website, www.ssa.gov.

CABLE NEWS

Representatives from MediaOne have notified the board that the cable company will be adjusting its cable service rates in Wilmington.

Says Timothy Murnane, MediaOne's Manager of Government Affairs, "This is not a rate increase, but a re-structure of the existing cable rates. Customers will either be unaffected by this adjustment, or they will see a slight decrease in their monthly bills."

ed by this adjustment, or they will see a slight decrease in their monthly bills."

• **SEWER FUNDS** The Department of Revenue has informed the board that Wilmington will receive \$29,527 from the Massachusetts Water Resources Authority (MWRA). The sum is a fraction of the \$49 million that was awarded to the MWRA by the Commonwealth Sewer Rate Relief Fund. The money is intended to help mitigate sewer rate increases for the citizens of Wilmington.

• **CONSTRUCTION** Joe

Rodrigues, who heads the Commuter Rail Engineering Department of Amtrak, has notified the board that on Sunday, April 16 his department proposes to replace a grade crossing on Woburn Street. Rodrigues has assured the board that all safety concerns have been addressed. The construction will begin at 9:00 a.m. on that morning and will likely conclude at two in the afternoon.

• **REQUESTS GRANTED** The board considered and granted requests made to them by the Wilmington Garden Club, resi-

dent John J. Barrett, and the Massachusetts Coalition to Reduce Waste. As a result, the Garden Club will be able to use the Town Common and the Swain School parking lot for its annual plant sale to be held on Saturday, May 13. Barrett will be able to use the Town Common and its gazebo for a wedding ceremony on Saturday, June 10, and the coalition was given permission to adopt a resolution to increase recycling and reduce waste generation in Wilmington.

• **MARK YOUR CALENDAR** The board addressed a number of upcoming important dates:

- 1) a Rabies Clinic will be held at the 4th of July Building near the Town Common between the hours of noon and 2 p.m. on Saturday, April 8;
- 2) The week of April 9th through the 15th will be National Library Week. Cairns wishes to encourage all Wilmington residents to visit the Wilmington Memorial Library during this time frame and show community support;
- 3) The Annual Town Election

will be held on Saturday, April 15. You can make your voices be heard at the polls between the hours of 8 a.m. and 8 p.m.;

4) Round up those old leaves from this past fall and give your lawn its first good mowing of the year. The Department of Public Works will be collecting such waste at your curbside between Tuesday, April 18 and Friday, May 5;

5) Finally, the Annual Town Meeting will be held at the Wilmington High School gymnasium at 10 a.m. on Saturday, April 22.

those bi-monthly Selectmen meetings on Monday night.

In 1980 he helped start the local 4-H organization, of which his wife has been its leader for quite some time. Through the 4-H organization he has been able to do a lot "here and there" to help the community grow.

Marsh has been religiously involved with a number of churches in town, most notably in 1995 when he became the pastor of the Wilmington Baptist Fellowship.

In 1996 he rallied volunteers from Georgia to come to Wilmington to refinish and sandblast the playground at the Shawsheen School that the com-

munity built.

"The playground had been in a major state of disrepair," says Marsh. "There was a lot of graffiti everywhere, for instance. We helped fix the playground, and we did it at no cost to the town whatsoever. We had lots of fun doing it."

Adds Marsh, "I have dedicated a lot of my life to volunteering."

Marsh says that he hopes to restore to the Board of Selectmen the aforementioned "residential voice." Politics, he feels, has made its way too deeply into the community process, to the point that residents have grown weary and uninvolved with their town government.

"When I'm on the board I want

to get rid of the apathy that people feel," he says. "I want to give people a sense that they will be heard, and that they can make a difference. My phone line will always be open to anybody."

Marsh mentions the environmental state of Wilmington as one of the major issues currently on Wilmington's table.

"The MBTA project is a done deal," he concedes. "The best thing that we can do is work with the MBTA to get the roads widened, and so on. I'm an electrician, so I have made some contacts in the field that I can work with to get some things done."

Continues Marsh, "The issues with CarMart and MacDonald Road and the Olin plume are major concerns of mine. MacDonald Road is a big issue with me because there are clusters of families that live there."

(The situation with CarMart involves possibly toxic fumes that have been plaguing the neighborhood. For decades, MacDonald Road has been the site where toxic wastes have been illegally dumped. Similarly, Olin, a chemical company, has been illegally dumping waste on its own property.)

Concludes Marsh, "As a second priority, I would also like for us to keep an eye on the Public Works projects. It would be good to make sure that they do not all boom at once and shock the town."

The third candidate for Selectmen is making his fourth bid for a seat on the board. MARK NELSON, who has lived in Wilmington all throughout his life, cites the six articles that he petitioned for this year's Town Meeting as equal components of his main campaign concerns.

Those articles would be articles 37 through 42. The petitions will give residents a chance to vote for or against making members of the Planning Board and Finance Committee elected, not appointed, officials; converting the annual Town Meeting from an open forum to a representative one; placing residential restrictions and term limitations for members on all of the town's commissions and boards; fluoridating the town's water; and establishing a tax work-off program for disabled veterans.

Nelson, who says that his website, www.nlsn.net, has been absorbing 100 hits a day, has owned and operated his own businesses for approximately thirty years. For ten years he ran a Cable TV company. For the past twenty years, he has nurtured a career as a land developer. Currently, his business is expanding into web development and digital photography.

"I know people get nervous when they hear that somebody is a land developer," he states. "As a selectman, though, my experience as a land developer would be an advantage. I'm the kind of guy who knows about land development. I can help the town understand what it can and cannot do when it comes to the various projects that are going on around town."

Nelson has criticized incumbent Cain for the budget increases that he feels have taken place since he took office in 1978. He states that as a selectman he would be against debt exclusions and tax overrides.

What will be the first thing that Nelson will try to do if he is elected on April 15?

"I'd establish a fundraising committee to raise \$300,000 to build a new library," he answers. "I'd also solicit major businesses in town to make donations for this library."

wich shop next to you will have parking problems," said Lynn Duncan, Director of Planning and Conservation. "They have mostly takeout customers and if there aren't enough parking spaces, I'm concerned that they will be parking on the street."

Ms. Duncan said that she was pleased with Mr. Wood's willingness to work with the town and the neighbors to develop a solution to the parking problem. A suggestion was made to put a time limit on some of the front parking spaces and those could be used for the sandwich shop's

takeout service.

"We're hoping to be in there, if every thing works well, by the end of May," Mr. Wood said. "We're starting work with the architect tomorrow. We're going to try to use most of the existing space there, but there will need to be some changes. It will be going from an office setting to classrooms scenarios."

"Our activities are with non-hazardous materials, of course," Mr. Wood said. He said that they use simulations with the nonhazardous materials so that their students can get a feel for what they would need to be doing in the

field with their job.

"The company has been in existence since 1987," Mr. Wood said. "It became a Massachusetts corporation in 1991. I've been with it since 1998."

"We'll probably try to transition over a weekend so we won't have any down time," Mr. Wood said. "We do offer courses now. They're not changing and we're not canceling them to move. It will be a challenge for us."

The Planning Board made and accepted a motion to approve the site plan.

Gillis seeks re-election to Shawsheen Tech school board

WILMINGTON - Jim Gillis of 120 Federal Street, Wilmington has announced his candidacy for re-election to the Shawsheen Tech School Committee. Gillis, a life long Wilmington resident, has served Wilmington voters as their representative to the school board for the past six years. He said, "I am pleased to report Shawsheen Tech offers outstanding vocational technical programs for Wilmington students, using modern technology ensuring students graduate as experienced technicians or skilled craftsmen. Our community is fortunate that high school youth can select two quality public high schools supported by local taxpayers - either Wilmington High School, where I am employed as director of athletics, physical education, health and transportation or Shawsheen Tech, where I continue my commitment to Wilmington youth as a member of the School Committee. Our school systems offer outstanding programs and I want to continue these traditions and need your vote to do such."

Gillis graduated from Wilmington High School and is an inductee into the "Hall of Fame." At Springfield College, he secured a bachelor of science degree majoring in health, physical education and recreation. Upon graduation from college, he initiated his lifetime of commitment as a teacher, coach and administrator in the Wilmington Public Schools. He earned his master of science degree in educational administration from UMass, Boston. He was a charter member of the Wilmington 4th of July Committee and is president elect of the Wilmington Rotary Club. He served as chairman of the Wilmington Arena Authority that built the Ristuccia Arena and currently serves on the board of directors of WCTV. The board of selectmen appointed him to serve on the Town of Wilmington Master Plan Committee.

"The Town of Wilmington and its school system gave me the opportunities that provided a solid founda-

tion for my success in college life. I was so personally inspired by Wilmington teachers and coaches, I wanted to emulate them and dedicate my life to teaching and coaching for other Wilmington youth." Gillis began his professional career in Wilmington as a teacher and coach 31 years ago. His commitment to the blue and white traditions continues to this very day. In

1963 he was the town's first Pop Warner Football Coach, went on to coach football at Wilmington High as well as to serve as Wilmington's head coach in baseball and wrestling, and has been honored by the Massachusetts Association of Interscholastic Association as Athletic Director of the Year for the services rendered to Wilmington youth. "Indeed," Gillis said, "I am a very lucky man to have spent most of my adulthood working daily in Wilmington in programs benefiting Wilmington's youth. I measure my success each day through the eyes of Wilmington students. Are they happy, are they being challenged, and are we, as adults, committed to ensure these young people are equipped with the tools necessary for future success?"

Gillis believes his service as a member of the Shawsheen Tech School Committee is an extension of his commitment as a profes-

sional educator in the Wilmington School system. "Two hundred and thirty-one Wilmington students attend Shawsheen Tech. I want them to also enjoy an incredible high school experience. And I am very pleased to report to the citizens of Wilmington that this is happening at Shawsheen Tech."

The Shawsheen Tech School Committee has recognized Gillis' leadership qualities electing him in leadership positions for five of the six years he has served. Fellow Wilmington Shawsheen Tech representative Attorney Bob Peterson cited Gillis for his expertise in assisting Shawsheen Administrators in revamping its health and physical education curriculum and for his outstanding leadership as chairman of Shawsheen's Technology Sub-Committee. Peterson said, "Jim Gillis is a positive person who cares deeply about his service to Wilmington's youth. The quality of Shawsheen's facility and its programs is in a very large way a reflection of Jim's energy, hard work, and compassion for public service."

Later this spring Shawsheen students will begin construction on a new press box at the Wilmington High School Alumni Field. Numerous Wilmington community projects have been completed by Shawsheen Tech students including improvements made to expansion of the fire station in Wilmington Center and interior improvements made to Winchester Health Center. Gillis said, "A partnership now exists between Shawsheen and Wilmington that has blossomed over the past few years. Rather than arguing about budgets, officials now spend time planning for a steady and sound future for the town and the school. I believe I have played a pivotal role in this process."

Gillis concluded his announcement by asking fellow Wilmington residents to support his candidacy. Anyone willing to assist in this endeavor can contact him at 978-657-6313.

"Nutrition and Weaning" April 5 at the Reading Public Library

READING - The gradual transition from breastfeeding to the family dinner table can be accomplished smoothly and instill healthy attitudes about food. Practical information about weaning and family nutrition will be shared as La Leche League of Reading meets to discuss "Nutrition and Weaning" on Wednesday, April 5 at 10:15 a.m. at the Reading Public Library (upstairs meeting room), 64 Middlesex Avenue, Reading. Women from surrounding towns are welcome.

This meeting is the fourth in the current series of four monthly meetings open to nursing mothers and their babies, as well as pregnant

and other interested women. The discussion is informal, with opportunity to ask questions and share experiences. The group maintains a lending library of books on breastfeeding, childbirth, and childcare. La Leche League Leaders may be called at any time for immediate help, encouragement, and practical suggestions regarding breastfeeding, or to obtain the manual, *The Womanly Art of Breastfeeding*.

For directions, further information, or encouragement, please call one of the group leaders: Karen (978-657-8301), Sharon (978-694-1012) or Terry (978-694-1073).

TRUE RICHES

In the midst of our grief, we draw comfort and support from family and friends. As difficult as it may be to come to grips with loss, we may be thankful that the living continue to embrace us with genuine concern. It is at these moments that we reaffirm our faith in loving relationships. As Antoine de Saint-Exupery noted, "We forget that there is no hope of joy except in human relations. If I summon up those memories that have left me

with an enduring savor, if I draw up the balance sheet of the hours in my life that have truly counted, surely I find only those that no wealth could have procured me. The riches cannot be bought."

Healing from the loss of a loved one requires reflection, support from family & friends, and at times a chance to be alone with our thoughts. At FARMER & DEE FUNERAL HOME, 16 Lee Street, we haven't lost sight of the reasons why we are here. We're attuned to each family's concerns and need, and strive to provide the support that is most comforting at the time. From prearrangement to post-funeral follow-up, we try to customize our service to our client's needs.

For assistance, call 851-7411.

John C. Dooley

20 years as account with Diano Co.

TEWKSBURY - John C. Dooley, 58, died Saturday afternoon, March 25, 2000 at Saints Memorial Medical Center in Lowell after a six month battle with cancer. He was the husband of Marita J. (Bennett) Dooley, with whom he celebrated their 34th wedding anniversary this past February 22.

Born in Everett, January 3, 1942, he was the son of John J. Dooley of Northport, Fla., and the late Louise (Killgoar) Dooley. He was raised in Hingham, by this father and step-mother Gretchen (Connor) Dooley of Northport, Fla. He lived in Tewksbury for the past 24 years and graduated from St. Sebastian's School in Brighton, and earned a B.S.B.A. and an M.B.A. from Boston College.

He worked as an accountant for over 20 years at Diano Co. in Woburn, and had worked for Dorel Steel Company in Quincy for the last three months. In addition to his career, he also operated an income tax preparation service from his home.

Besides his wife, father and step mother, he is survived by a son James K. "Jamie" Dooley of Tewksbury, a daughter Kristin A. Dooley of Tewksbury, his in-law family, Mrs. Mary Julianna Bennett and the late Arthur Bennett family of

Needham.

He was also the brother of the late Robert Dooley.

His funeral was held Wednesday, March 29, in St. William's Church, Tewksbury followed by

burial in Tewksbury Cemetery. Memorials to the American Cancer Society, 12 Kent Way, Suite 210, Byfield MA, 01922, will be appreciated.

Arrangements were under the direction of the Tewksbury Funeral Home.

Maryann Kleschinsky long-time Tewksbury resident

She was the mother of Barbara J. Forrestall of Wilmington, Carole Leonard of Derry, N.H., Donna C. Crockford of Newburyport, Thomas J. Leonard of W. Roxbury and Robert J. Leonard of Wilmington. 12

great-grandchildren and 20 great-grandchildren also survive.

Mrs. Leonard was the sister of the late Robert Porter, Kendall Porter, Donald Porter and Virginia Porter.

Private funeral services were under the direction of the Nichols Funeral Home of Wilmington.

Sarah Miggos

former practical nurse

TEWKSBURY - Sarah (Gianacopolis) Miggos, 80, died Monday, March 27, 2000, at Blaire House Nursing Home in Tewksbury following a lengthy illness. She was the widow of Charles Miggos who died in 1989.

Born in Woburn October 21, 1919, she was the daughter of the late Andrew and Mary (Rodolphous) Gianacopolis. She was educated in Woburn schools and attended Woburn High School. Prior to moving to Tewksbury in 1970, she lived in Woburn where she attended Annunciation of the Virgin Mary Greek Orthodox Church.

Prior to retirement in 1980, she was employed as an assembler by Gillette Corporation of Andover where she worked for 15 years. She previously worked for the Sanders Corporation of Woburn. In her early years, Mrs. Miggos was employed as a practical nurse and worked in several area nursing homes. She enjoyed many activities, including playing bingo and attending functions at the Tewksbury Golden Age Club and Senior Drop-In Center.

Mrs. Miggos is survived by her son John Miggos and his wife

Loretta F. (Davis) Miggos of Tewksbury; four daughters, Mary Miggos of Tewksbury, Kathryn Clark and her husband John of Richmond, VA, Jane Farrell of Tewksbury and Nancy Irvin and her husband Troy of Lubock, TX; eight grandchildren, Daniel Clark, David Boyd, Patricia Horahan, Glenn Farrell, Mary Derby, Charles Miggos and Patty and Phillip Janice; five great-grandchildren, Mikala Horahan, Sarah and Lindsey Boyd and Jeffrey and Jessica Derby. Many nieces and nephews also survive.

She was the sister of the late Pericles, Theodore, Arthur, Peter, Pandey, John and Bella Gianacopolis and grandmother of the late Dona Boyd.

Funeral services are scheduled for Thursday at 10 a.m. from the Farmer & Dee Funeral Home, 16 Lee St., Tewksbury, followed by burial in Tewksbury Cemetery. In lieu of flowers, memorial contributions to Merrimack Valley Hospice, 360 Merrimack St., Building #9, Lawrence, MA 01843 will be appreciated.

God has a special way of making time fly
It seems like only yesterday when we said our last goodbye
If only we could turn around and travel back in time

Just to say we miss you both and tell you we're all fine.

It's hard to believe we live our lives, to watch our children grow
And harder still is watching without you. Cause they all miss you so
We think of you both night and day, and never forget the way

You shared your love of all your children in that very special way
As time goes by we can't help but think how great it would have been
To share our lives with both of you, you left us way too soon
You'd be so proud of all the kids, to see how they have grown

To see that sparkle in your eyes, as your baby girl has one of her very own
We know we'll all meet again someday in that big house in the sky
And we'll all have Sunday dinner, how we'll laugh and how we'll cry
Remembering all the good times, just as if they were yesterday

We miss you Mom & Dad so much, in our hearts you live in every way.

Marvelous Marvin Novogrodski with "Magic of Science"

WILMINGTON - Compress air! Erupt a volcano! Proceed scientifically with Marvelous Marvin Novogrodski as he presents his "Magic of Science" program, entirely in rhyme, on Wednesday, April 12 at 7 p.m. for children ages three to five and their families. Marvin will incorporate experiments, magic, juggling, inventions and audience participation as he introduces children to the scientific process.

Marvelous Marvin, who has been a performer for over 14 years, will delight the audience with his unique and imaginative rhyming style and his skills in dance, circus arts and magic.

Tickets are required for this performance, which is funded through the "Community Partnerships for Children" grant by the Massachusetts Department of Education, and may be reserved by calling the library at 658-2967 beginning Thursday, April 30.

Spring rain

"Spring Rain" will be celebrated with stories and crafts at the Family Story/Craft Program, Wednesday, April 5 from 7 to 7:30 p.m. for children in kindergarten through grade two and their families. Registration is not required.

Time for Twos

Time for Twos, a drop-in story time for two-year-olds and their parents/caregivers, will be held Thursday, April 6 at 10 a.m.

Poetry contest deadline

If you have not written your poem for the library's poetry contest, you have until April 1 to submit a poem based on the theme "new frontiers." Perhaps some of the following words will stimulate a creative idea - adventure, journey, exploration, pilgrimage, expedition, mission, voyage, the unknown, etc.

The library has books, of course, that may inspire a poem or that may help with writing the poem. Rhyming dictionaries can be useful in searching for the right word. Last minute poets can drop their poems in the book drop on Saturday after 5 p.m.

Community

information database

Fifteen organizations serving Wilmington residents are now listed

in the Merrimack Valley Library Consortium (MVLC) Community Information database. This database provides a wide range of information about nonprofit agencies, organizations, clubs, services and community activities in the towns served by the Merrimack Valley Library Consortium. As the library staff receives completed forms from local groups, the database will continue to expand its local listings. If you are currently involved with a social or sports organization or club or support group, health service, educational or religious organization, children's service, or any group that may be of community interest, and would like to be placed on this database, please contact the library.

The Community Information Database is available on the catalog computers of all MVLC public libraries and can be accessed from

Big birthday weekend for United Methodist Church

This weekend the United Methodist Church in Tewksbury turns the Big Four-Oh.

This Sunday, April 2nd, will mark the fortieth anniversary of the first service to be held at the church's location at the corner of South and Main Street in Tewksbury. In 1911 the church was constructed at the corner of South and Brown Street. In 1960, the church relocated to its current address.

Ellen Lewis is a church member

who is helping to coordinate many of the anniversary's festivities, which will include a chicken dinner to be held on Saturday night.

Lewis wishes to invite anyone who would like to take part in the church's historical moment.

Says Lewis, "The idea behind this weekend is one of camaraderie and fellowship. We are a great church, and the people who attend it are great. We would like to welcome everybody to come to our

service on Sunday and see what we are all about."

The commemorative service will be held at the Tewksbury United Methodist Church at 10 a.m. on the morning of Sunday, April 2nd. Any questions can be answered by calling the church's main office at 658-9551.

A coffee hour to be held at the church parlor will follow the service.

Trahan and Heath Brook Schools

Historical play depicts Tewksbury's past

TEWKSBURY - "Hide the gunpowder and musket balls!" was the cry in Concord. "Pack the gunpowder and musket balls!" was the cry in Tewksbury 225 years ago. The third annual Patriotic Play about Tewksbury's history will be performed by the Heath Brook and Trahan Schools April 7 at 10 a.m. The Mass. Cultural Council, the Tewksbury Cultural Council, the Tewksbury Historical Society, the Tewksbury Teachers Association, the Massachusetts Teachers Association and the Tewksbury School Department sponsor the program. It is open to the general public.

The play reenacts Tewksbury history from 1625 to 1775. The first scene is about Native American Indians who lived as part of the Wampanoag Tribe and Chief Passaconaway, who united the surviving Algonquians along the Merrimack River.

The second scene shows the Puritans with John Winthrop as their leader. He buys the New England Company and uses it as an excuse to move out of England for New England Religious freedom was his real motive. The second act focuses on the founding of Wamesit

and subsequently Tewksbury in 1734.

The third act has a scene of some Tewksbury women preparing for war. The second scene shows what happened at Town Meeting when Tewksbury voted for gunpowder and military training prior to the American Revolutionary War.

The fourth and final act highlights the Redcoats leaving Boston, the Tewksbury Minutemen being awoken by a rider acting for Paul Revere, the Tewksbury Minutemen's march to Concord, the Redcoats in Concord, and finally the clash of Redcoats and Minutemen at Meriam's Corner in Concord on April 19, 1775. Captain John Trull who led the Tewksbury Minutemen in 1775, was quoted as telling his troops to, "stand trim men or the rascals will shoot your elbows off! The playwrights are former and present Heath Brook and Trahan students. A chorus of third graders will perform patriotic American songs during various acts and scenes.

The Redcoat Fitness March will precede the Patriotic Play. Heath Brook fourth grade students, dressed as British Redcoats will

march down Shawsheen Street (9:05 a.m.) to symbolize the Redcoats march from Boston on April 19, 1775. Captain Calvin Lilies of the Tewksbury Minutemen will lead the March along with Tewksbury Police Safety Officer James Luz.

The play will feature many local dignitaries. Senator Susan Tucker, Representative Jim Miceli, Tewksbury Selectman John Ryan, Tewksbury School Committee member Ruth Perrin, Superintendent of Schools Christine McGrath are all scheduled to read. Other readers include Mrs. Ann McDermott reading for the

Tewksbury Cultural Council. Ms. Donna Haines will read for the Tewksbury Historical Society. Mr. Stephen Gorrie, President of the Massachusetts Teachers Association will read for the Tewksbury and Massachusetts Teachers Association. Mr. William Phalen will read for the veterans of all wars and represent the Tewksbury Veterans of Foreign Wars.

If rain delays the outdoor play, it will be postponed to April 11, 10 a.m. at the Trahan School. There will be no Redcoat Fitness March on the rain day.

"When the Animals Danced," at Tewksbury library April 8

TEWKSBURY - Bob Thomas, a fascinating storyteller who entertained us last year with his Dancing Troll program, will be reappearing at The Tewksbury Public Library on Saturday, April 8. The program, entitled "When the Animals Danced," is scheduled to begin at 2 p.m. and is filled with dancing, pantomime and stories. We are sure the audience will be enchanted with Bob's costumes, antics and especially his finale when children will be invited to join him in that old disco favorite "Stayin' Alive."

This program which is sponsored by the Community Partnership for Children is funded by a Department of Education Grant and is

intended for preschool children ages three through five accompanied by a parent or other adult. While slightly older siblings may enjoy the show, we do respectfully ask that children under three should not attend.

A limited number of tickets are still available in the Children's Room at the Library. There is no charge for the tickets, but they are necessary for admission. If you have any questions regarding this performance or any other services in the Children's Department, please feel free to contact either Cynthia or Pat at 640-4490, ext. 204 and we will be happy to assist you.

How long should you keep tax records?

TEWKSBURY/WILMINGTON-As tax filing time enters the home stretch, many people are wondering just how long they should keep their income tax records.

The Massachusetts Bar Association recommends that copies of returns should be kept indefinitely and supporting records should be kept for at least six years.

According to Attorney Douglas A. Fleming, chairman of the bar association's Tax Law Section, unless you have attempted to defraud the government or you have understated your gross income by more than 25 percent, the Internal Revenue Service and the Massachu-

setts Department of Revenue have only three years to assess additional tax. If you understate your income by more than 25 percent, the IRS and DOR have six years to make you pay up.

Fleming warns, however, that if you attempt to defraud, there may be no time limitation on the government's ability to make you pay.

If the IRS or DOR claim that you filed no return for a particular year, there is no time limitation on when they can come after you. Therefore, it is vital that returns be kept indefinitely as your record of repayment.

In addition, Fleming recommends keeping W-2 forms, which show withholding payments made to IRS or DOR.

"People should also keep all cancelled checks they wrote for tax payments and estimated tax payments. It's important to realize that your tax return alone is not considered a record of payment," Fleming said.

Fleming notes that some property records (including such properties as stocks and mutual funds) may affect your taxes in the future and they require keeping longer than six years. If, for example, you made improvements to a property

that you purchased many years ago, and you sold this property last year, you may have to produce the original purchase papers to substantiate the 1999 tax consequences of the sale.

In cases of separations and divorces, it is also recommended that both spouses keep copies of all tax records. "This is particularly important where joint returns are filed, in these cases, both spouses are equally responsible for any deficits," Fleming said.

"If there's any doubt whether or not to save a record, the prudent course of action is to save it," said Fleming.

There's a will and a way... but a soccer field too?

By PATRICK HANRAHAN
Sports Correspondent

Wilmington Youth Soccer charges into the spring with more kids participating than ever. The big question for this season is, "Where will the kids play?"

With record turnout and the central field under construction, the Youth Soccer Board, led by Tony Martiniello, must overcome a logistical nightmare to make sure that the games will go on.

"The program has been growing by leaps and bounds," says Martiniello who has served on the board for three years but is in his first as president.

With ten to fifteen percent growth each year, the program has expanded to 1,250 kids ranging from kindergarten to fourteen years of age. The season is split into spring and fall programs. Both seasons include two types of play, an in-town, non-competitive, instructional program and competitive traveling teams that play against other towns.

Over the years, the program has come to rely on the Shawsheen Elementary School field as its primary location for games. The field has always had some problems such as improper drainage. Aware of these problems, the town of Wilmington has talked about renovating the field from time to time. The consistent growth of the town and the success of youth programs, however, have recently made this initiative a necessity. The renovation

began last season and will continue until next fall.

In the meantime, where does the burgeoning youth soccer organization go?

"We managed last season," says Martiniello. "The kids will be able to get out there on some field in town."

Help is indeed coming from all directions. Last year, part of the travel program was held on the property of a local company, Textron. In addition, the program used Shawsheen Tech's field. For this season, Martiniello and the board have negotiated the use of fields at Wilmington High and the Town Hall to augment what they had last year.

Scheduling to avoid conflicts with other programs has been a challenge.

"We didn't realize how dependent we were on a central field," says Martiniello. "The Town Manager [Michael Cairn] and other youth organizations have been terrific."

In fact, much of the program is built upon a spirit of volunteerism. The board and coaches volunteer their time; the town volunteers facilities. The focus falls squarely on ensuring a good time for the kids.

The huge turnout and calls to expand the program demonstrate that the plan is working.

"I get calls from the parents of pre-school kids," says Martiniello.

"As the program grows, we may be able to expand."

In the meantime, Martiniello must concentrate on the success of this season.

In addition to the regular season, the board coordinates coaching clinics and a summer camp run by Major League Soccer. This event has grown along with the rest of the program.

"The first year we had 35 to 45 kids," says Martiniello. "Last year, we had 100. This year we are expecting the same kind of growth."

During the spring of 1999, Wilmington also hosted the Commissioner's Cup, the regional portion of the Massachusetts Youth Soccer tournament.

Few kids and probably not too many parents realize the extent of the organization that goes into keeping kids running, kicking, and heading soccer balls on a Saturday afternoon. An entire team works behind the scenes ordering supplies, planning events, scheduling games, and reserving space.

The group of kids that wins in Youth Soccer this season could take a cue from the teamwork exhibited by the Youth Soccer Board.

"The board of directors consists of thirteen individuals," says Martiniello. "We divide the work and do it accordingly."

That attitude has scored the first goal of the season, figuring out where everyone is going to play.

THIS PAST YEAR WILMINGTON YOUTH SOCCER enjoyed one of its best years ever with over 1,000 kids participating, as well as many teams going well in their respective tournaments. This year the Shawsheen School Field they use is being torn up and re-done. So where will the kids play this year? (File Photos).

Alumni Softball

If any former Wilmington High softball players would like to put on the cleats and grab a bat again, well an alumni team is being put together now to play a game and possibly participate in a tournament.

If you are interested, you are urged to call either: Jacqui Hayden at 658-3408, or Lindsay Currier at 658-8042.

Marshall wins bout

Branden Marshall of Wilmington was recently crowned the 112 pound Silver Mittens Champion by beating David Gamachesh of Lewiston, Maine, the son of former Junior Light Weight Champion of the World, Joey Gamachesh.

It was Marshall's fourth straight win in the tournament and is likely to be a favorite to win the Junior

Olympics Championship held next month in Bedford.

Coming Next Week

With the spring weather arriving, the high school sports teams will be out on the fields, tracks and courts. Next week, look for team previews on most of the Wilmington, Tewksbury and Shawsheen Tech spring sports teams, as well as their complete schedules.

Also next week will be the winner of the 7th annual Final 4 Town Crier Contest.

Locals at HNIB

Wilmington natives Kristen Thomas and Chet Ferreira recently participated in Hockey Night in Boston's 23rd annual All-Scholastic Men's and Women's Ice Hockey Tournament held through five days at Merrimack College.

If you know of any locals who'll

be running in April's Boston Marathon, please call Jamie Pote at 658-2346 (it's easier than scrolling through thousands of names in the Boston papers on Tuesday).

College Notebook

Wilmington native Sean Kerrigan and Tewksbury native Matt Petros are back at it again as members of the UMass-Lowell men's baseball team. Last year Petros became the starting right fielder midway through the season and had a solid season. Kerrigan, on the other hand, was a back-up infielder. Now the two of them are the corner stones of the outfield as the team.

The River Hawks were predicted as one of the top Division 2 teams during pre-season, but they struggled going 0-7 during their annual trip to Florida. Petros, a junior, batted .600 in the Sunshine State, going 6-for-10.

On Wednesday UML got back to its winning ways as they defeated St. Anselm's 10-2. Kerrigan, the left fielder, was 1-for-5, including a two-run single, while, Petros, was 1-for-4 in the team's home opener.

On Sunday, they defeated Northeastern in a double header, 5-2 and 9-8 to improve their record to 6-8. Kerrigan had two hits including a triple and also knocked in two runs in the first game.

Wilmington native Leanne Harris, the Town Crier's Female Athlete of the Year in 1996, was recently recognized as the MASCAC Co-Player of the Week for her efforts in softball for Salem State. The senior right-handed slugger batted .500, including going 14-for-28 with 2 homers and 7 RBI. She also stole 5 bases and scored 15 runs.

Tewksbury native Ron Heald and Wilmington native Billy Harrison are members of the Stonehill College men's baseball team. This past week, Heald went 2-for-3 with two RBI in the team's 13-2 win over Bridgeport.

Wilmington's Cheryl Lescasse will be one of the Colby-Sawyer women's distance runners for its spring track team. A sophomore, Lescasse did very well as a freshman, including taking a second-place finish at Fitchburg in the 5,000 meter run (21:46.5). She ended the season by coming in fourth place at Dartmouth in the 3,000 meter run.

Colby-Sawyer will get underway this Saturday as they will participate at the Fitchburg State Invitational beginning at 10:00 am.

Wilmington's Michelle

McGonagle, the Town Crier's Female Athlete of the Year in 1998, is currently competing for the starting catcher's spot at Assumption College. McGonagle suffered a leg injury after scoring several goals this past fall for the women's soccer team, and now she is healthy and ready to go.

McGonagle is battling Bridget Dean of East Haddam, Ct., to take over for All-American catcher

Michelle Daley of Worcester who has graduated.

Assumption has gone 70-25-2 the

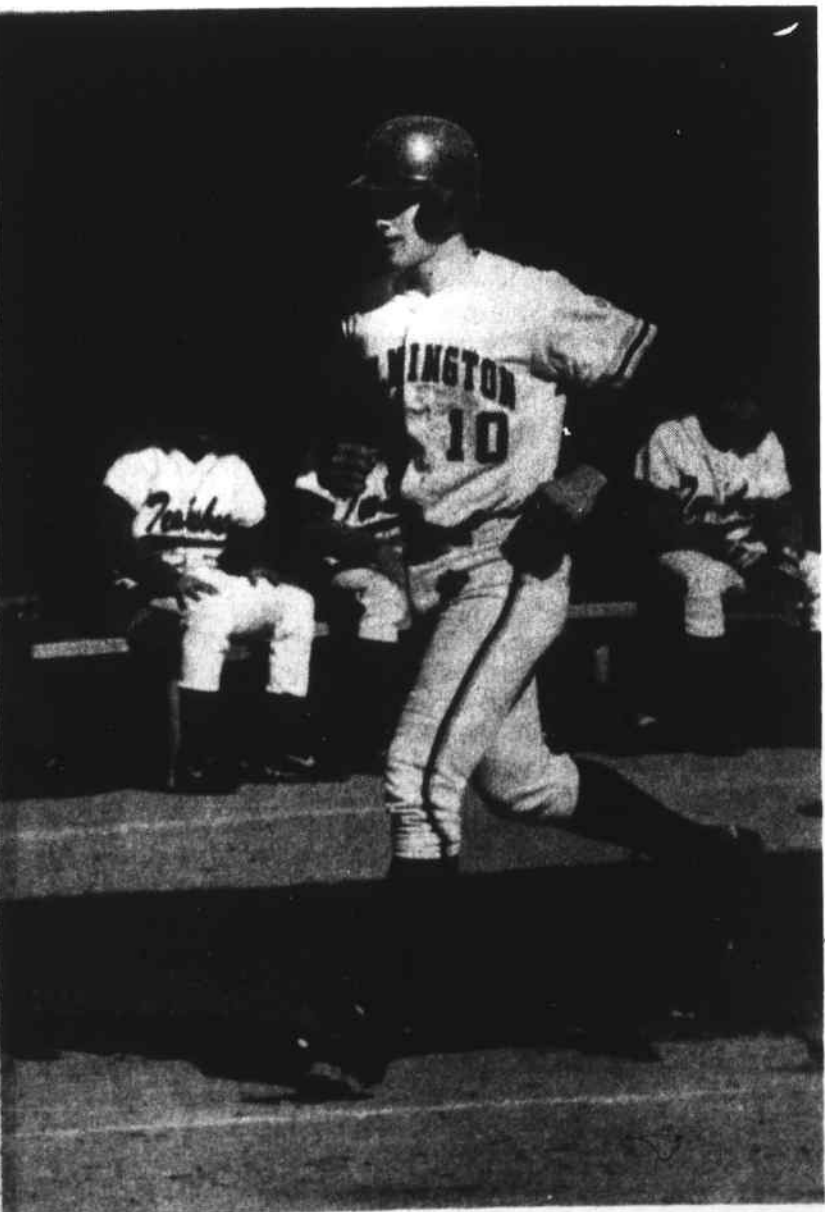

previous two seasons, including last year's first ECAC Division 2 Championship.

They have played about ten games thus far including a trip to Florida, and they will travel to New York this weekend for single games on Saturday and Sunday. They will

return home on Thursday, April 6 with a doubleheader against Merrimack, starting at 3:30.

If you know of any local collegiate athletes, feel free to call Jamie Pote at 658-2346.

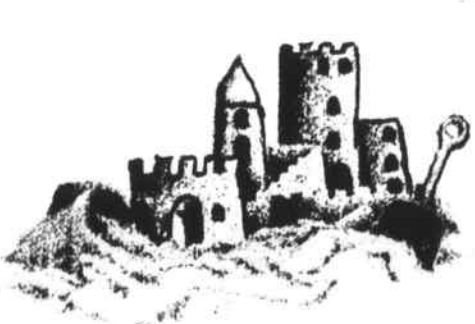

Press releases that were submitted to the Town Crier from colleges, and various people came in assistance of this column.

WILMINGTON HIGH SENIOR ERIC BANDA led the Cape Ann League in batting last year as a junior. He hopes to repeat that this season. Look in next week's edition for the WHS Baseball team's preview and schedule. (File Photo).

Pee Wee B's take 2 out of 3

Wilmington 7 Medford 1

Recapping the B's took on Medford in a home game and wiped them out. The B's were on fire in this game. Starting the scoring was Joe Pino and the assist going to Derrick Duarte. Bryant Buck, Jay Surianello and Steve Peterson got an assist as their great passing moves got the puck to Jackie Rideout who made the stretch and scored.

David Griffin took off on a breakaway scoring unassisted. The last goal of the first was made by Jackie Rideout as she picked up the pass made by Bryant Buck and Jay Surianello.

Going into the second, one goal was made by David Griffin and Jay Surianello got his third assist. Taking us into the third was Jackie Rideout who received a hat trick for this play, well deserved. Jackie did a lot of hustling in this game. Assisting her was Jay Surianello who made this number four. He also had a great game along with Bryant Buck who got a playmaker on this play. The last and final goal was made by David Griffin who also got a hat trick in this unassisted

T-Ball sign-ups

Signup for the Recreation Department's T-Ball program is taking place weekdays from 8:30 a.m. to 4:30 p.m. in the Recreation office at Wilmington Town Hall.

Boys and girls currently in kindergarten through grade two are eligible for this popular introductory program. Cost of participating is \$18 per child.

Children registering after Friday, April 7 may be placed on a wait list. For more information contact the Recreation Office at 658-4270.

play, also well deserved. He hustled in this game. Everyone did a great job. Mike Thibault did a super job goaltending.

Wilmington 3 Danvers 0

In a game against Danvers the B's took them out. Setting off second period was David Griffin who scored with a pass from Jackie Rideout and Jay Surianello.

Going into the third David Griffin put away another. Assisting him was Mike McMahon who also did a great job clearing the puck from the B's zone and checking his opponent. Jen Corcoran was also hot on the ice, backchecking, riding the opponents, clearing them from the net. She also got off a shot on net and it was deflected by the goaltender.

With 31 left Derrick Duarte and David Griffin got an assist as Jay Surianello picked up the rebound and tipped it in.

Nashua 3 Wilmington 2

The B's tried very hard to put this game to a tie. Ray Bennett skated very hard, taking the puck from center ice, skating fast to his opponent net, but his shot deflected. First period was Nashua's. They scored two in the second. Scott Dunnett scored with the assist going to David Griffin and Jay Surianello.

At 11:05 into the third, right off the faceoff, Jackie Rideout got an assist as she drew the puck back to Steve Emery who got an assist as he took a shot on net from the blue. It rebounded out, but Joe Pino was there to put it in. They tried very hard to score again but Nashua stayed one step ahead. Good try, B's.

Squirt E's provide tough defense in latest games

On a rare Friday night game the Wilmington Squirt E team played Andover at the Chelmsford Forum in a makeup game that was postponed from October 31.

This is the first of two games this weekend for Wilmington and the Wildcats knew they had to jump out early and play good defense to win both contests.

March continues to be the Wildcats' month. In the last three games the Wilmington defense of Kevin Bradley (goalie), Paul Martel, Daniel Spurr, Niko Katsikas and Matt Bibeau (who plays both offense and defense) has allowed only three goals.

Most of the time all you hear about is who scored goals, but the defense has been the story the last few games.

Wilmington has continually frustrated the opposing offense with great hustle, unbeatable goaltending and heads up play. Wilmington is controlling the blue line and not allowing the opposition any momentum.

The last three wins were made possible by the defense's dedication to playing their opposition and helping each other out. A hats off to the defense. Great job!!

With the defense doing its part, the offense can play a wide open game. In the last three games the offense has out scored the opponents 18-3.

In Friday night's game the Wildcats we short four offensive players (Shawn Crowley, injured; Jared Waite, injured; Kevin Carter, sick; Patrick Cassidy, prior commitment) so the rest of the team had to step up and they did.

With 7:16 left to play in the first, Keith Little (two goals, two assists) walked in unassisted and blasted a shot past the Andover goalie. The scoring was not over in the first. With 2:23 left to play, Little, who seemed to be in the right place at the right time all night, fed a cutting Scott Dacko (two goals) who lifted one off the face of the goalie and into the corner of the net.

Just seven seconds later Dacko took the puck off the faceoff and tucked it away to put Wilmington up 3-0 after one.

The second period was the same as the first. Wilmington scored two goals and didn't allow Andover many scoring opportunities. The first goal was scored with 4:35 to play by Little who took a nice pass from Elisha Clancy (one goal, one assist) in front of the net and promptly flipped it by the goalie.

The second goal was scored by Mark Grassia (two goals) when he took a long pass from Richie Murray and made a great move to avoid the defender and wristed it over the goalie's glove.

The second period ended with Wilmington up 5-0. Wilmington

scored two more in the third, the first coming off a great setup by Little and Matt Hope to get the puck to Clancy in front of the net, Elisha redirected the puck and found the open corner.

The second came on an unassisted goal by Grassia who took the puck from the blue line past the defense and backhanded it to put the game out of reach. This was a great game for the offense, all six players either had an assist or a goal. This shows how well this team is playing together and that they can step in and win even when they are shorthanded.

The second game was played Saturday afternoon at home. Wilmington was playing Cape Ann for the first time and was not sure what to expect. Wilmington, still playing without Waite and Crowley continued the scoring barrage by getting two in the first.

The first point came when Little (two goals, one assist) stole the puck and passed it to Dacko (one goal, one assist) who then fed a streaking Murray (two goals) who put it in the back of the net. The second goal of the period came with 2:58 left to play. Murray poked the puck away from Cape Ann and passed it to Little who then found Hope (one goal, two assists) in front of the net. Matt wasted no time in putting Wilmington up two.

The second period was a defense

sive battle, the Wildcat defense of Bradley, Bibeau, Spurr, Katsikas and Martel flashed some of the intensity that has carried them for the last month and only allowed Cape Ann's potent offense one goal.

Wilmington's offense with great efforts by Carter and Clancy scored another goal. Hope, who made the switch from defense to offense the last few games, has been nothing less than spectacular. Hope stole the puck deep in the offensive zone, passed it up to Little who hit Cassidy who was skating hard up the side. Patrick made a nice move to avoid the defense and wristed a shot to the top corner. Wilmington led 3-1 after two.

Wilmington scored first in the third when Hope again passed to Little who found Murray in front of the net. Richie quickly tucked it behind the goalie to extend the lead. Cape Ann came right back to score goal and cut the lead to two but Dacko would smother any comeback attempt with 1:44 to play. Dacko walked in unassisted to put this game out of reach. Wilmington won, 5-2.

This was a busy weekend for the Wildcats who have another game Monday night with Marblehead who is also fighting for a playoff spot. A win Monday and if Wilmington continues to play well in their last couple of regular season games they should make the playoffs.

Eighth grade girls finish strong

The Wilmington Wildcat Eighth Grade Girls recently completed a successful basketball season.

The girls completed the regular season with a very respectable 11 wins and seven losses in the Merrimack River Valley League. Highlights from the regular season included an overtime win at Beverly as well as several comeback wins. Particularly satisfying were the wins at Masco and Reading when the team overcame ten point deficits late in the game and pulled out victories.

Although usually outsize by their opponents, the Wildcat front court frequently out rebounded and always out hustled the opposition. The front court was lead by centers Brynna Moroney and Kelli Sweeney who received plenty of help on the boards from power forwards Stefanie Gable and Kiersten Frizzoll. Wilmington also received excellent play from the small forward spot from Gina Ranno, Meredith Bransfield, Ashley Steenbruggen and Jen Earls.

Tough, aggressive defense was a trademark of the team and the guards usually lead the way. Kara Bruce, Lauren Cushing, Lauren Rappoli, Katie Riley and Jackie Spry all alternated between point guard and shooting guard contributing to the team's success.

The girls continued their strong play into the play-offs, knocking off North Andover before losing to a very strong Lowell team in the league finals. In the North Andover

game the Wildcats were lead by Brynna Moroney's clutch effort on the boards and some strong shooting from Lauren Rappoli. Spearheading the aggressive defense were Ashley Steenbruggen, and Katie Riley. Kiersten Frizzoll and Stefanie Gable also played well, each pulling down key rebounds that help secure the victory. Despite losing in the finals against Lowell the girls possibly played their best game of the year.

Tied at half time, the Cats went cold for awhile in the second half and fell victim to some excellent foul shooting from Lowell. Again led by league All-Stars, Brynna Moroney and Lauren Rappoli the girls never quit and a great comeback just fell short. Other key contributors were Meredith Bransfield who had a clutch basket and free throw and Kelli Sweeney who also had an important basket and several big rebounds. Playing all-around solid games on the offense and defense were Kara Bruce, Lauren Cushing, and Jackie Spry.

The girls wrapped their season on a winning note finished in second place in the Billerica Shamrock Basketball Tournament. Behind the hot shooting of Gina Ranno, the Wildcats easily handled Woburn before losing in the finals to strong Chelmsford team.

The coaches would like to thank all the parents and family who supported the team over the last three years and made coaching the team an enjoyable experience.

Squirt A's improve dramatically

The Wilmington Squirt A youth hockey team participated in the state play downs this weekend at the Flynn Rink in Medford. As everyone knows, the play downs bring out the best the state has to offer.

In the first of three games, the Cats faced off against Quincy. Derek Fitzpatrick and David Rizzo were in sync for this one as Fitzzy scored first off a Rizzo pass and later, Fitzpatrick paid back the favor, feeding Rizzo, who put one between the pipes for Wilmington.

Later in the third period, Maria Tucker took a nice pass out in front of the net from Mike Fay to put the Cats up by one. In the final seconds, with the goalie pulled, Quincy tied the score to frustrate the Cats' efforts.

The next two teams the Cats faced were Falmouth and the Lakers. These were two outstanding teams that were both able to overpower Wilmington in the end. Although the Cats played solid, two losses in a row like that can often test the character of a team.

The following day the Squirt As squared off against Lynnfield in regular season action. As the fans found out, any question of character was put to rest, as the Wildcats dominated from beginning to end, thrashing their opponents 9-3. The satisfaction for coaches Bob Silva, Scott Stafford and Rick Steenbruggen was not just the win, but the effort made by every member of the squad.

Each line put forth a substantial contribution to help ensure this victory. Mike Fay broke out for four goals to lead the team. He received a lot of help from the aggressive

play of Alex Santini and Maria Tucker. Chris Stafford found the net twice and Dana Steenbruggen made a heads up goal out in front of the net off a sweet pass from Mark Walsh.

The third line of Dan Silva, Derek Fitzpatrick and Dave Rizzo pressured the opposition all day helping to set the pace of the game. Silva found himself with an opening in the blue line during the game and unloaded a shot that the net minder could only watch, as it found its target.

Derek Griffin, Derek DeRosa, Zach Church and Zach Chiampa all played really outstanding defense throughout the game. Griffin is 'pound for' pound the toughest defenseman in the league. DeRosa, with his size, is always a threat from his defensive position, as he thrills the crowd with his vicious wrist shots from the blue line. Church, who shows consistent finesse with his outstanding moves on the ice, is potential pro material.

Zach Chiampa, who missed a couple of months with a broken collarbone, has, remarkably, stepped back in without missing a beat. He finished the game with a powerful move to the net that resulted in his first goal in a long time.

Goaltender Mark Manning continues to entertain the fans with some of the most outstanding saves that hockey has to offer. All any coach can hope to see for their efforts is improvement in their players not only from an individual standpoint, but from a team standpoint as well.

Mite D's like Sundays better

What a difference a day makes! That pretty much says it all for Wilmington Mite D hockey action last weekend.

The Mites played two early morning games during the weekend and split, losing on Saturday and winning on Sunday.

On Saturday, the D's bowed to Reading 4-1 and were eliminated from the District 10 Mite Fun Tournament at the LoConte Rink in Medford; while on Sunday they shut down Tewksbury 4-0 in Valley League game at Merrimack College that had big implications for their prospects of winning the Silver South Division.

The Wildcats came out sluggish in the tournament game against Reading on Saturday, looking as though they were feeling the effects of the early hour. They gave up two quick breakaway goals in the first period and spent the rest of the game trying to recover. Goalie Brian Coutu saved nine of 13 shots, but the four scores he and the team conceded did them in.

Eddie Barrasso, assisted by Patrick Enwright, posted the D's only goal, although David Mello came close to adding another when he had a shot in net voided for a crease violation.

Wilmington had gotten to the second round game against Reading by beating a team from Malden

the previous Saturday by a score of 16-0 in an uncomfortable mismatch.

The Valley League game on Sunday was a different story, however. Wilmington showed its resilience in this skirmish when it rebounded strongly from the Reading loss and reasserted itself as a formidable team. Then again, maybe it was playing at the semi-conscious hour of 6 a.m. that helped fog the memory of Saturday's deflating loss and get the D's back on their game.

Wilmington kicked the scoring off against Tewksbury late in the first period with two goals that were nearly carbon copies of each other. Both started with passes to the front of the net from the left side, and ended with Craig Benard knocking them between the posts. In the first, Brett Kidik made a nice backhand pass to Benard; while in the second, Leighton provided a beautiful feed that Benard did not miss. Kidik was also credited with an assist on the second goal.

Those two scores held until late in the second frame when Peter Leighton padded Wilmington's lead by taking the puck from Craig Benard near the Wildcats' blue line, skating it up the ice and burying it in Tewksbury's net. Wilmington 3, Tewksbury 0.

Then in the third, Brendan O'Brien weaved the puck through some traffic and nailed one in a

superb, unassisted effort that gave Wilmington its final lead of 4-0.

As the final score tells, Wilmington put on a super defensive front to complement the offensive scoring. That front included killing two penalties to preserve the lead. James Clancy and Chris Colosimo had their usual standout games, but Jared Hayes was simply everywhere, doing whatever it took to ensure the win. Defensemen Kyle Cimon and Alex Williams also had strong performances, while wingers Sean Keane, David Mello and Pat Enwright contributed tremendously by keeping pressure on the Redmen and depriving them of scoring chances.

Goalie Brian Coutu likewise reversed his misfortune from Saturday's game by rejecting all nine shots thrown at him. He also stopped a rare penalty shot that Tewksbury was awarded when a Wildcat defenseman threw his stick to halt a breakaway bid.

At center, Ryan Kennedy and Eddie Barrasso looked great, winning a number of faceoffs and adding hustle to Wilmington's defensive and offensive efforts.

With this important win, the D's retain their lead in the Silver South Division, with just a few division games remaining this season and the playoffs fast approaching.

THE ROAD TO EL DORADO

Town Crier **NATIONAL AMUSEMENTS**

Mite A's pitch the shutout

Wilmington 7 Wakefield 0

The Wilmington Mite A's kept their Valley League playoff hopes alive as they shut out Wakefield for the third time in a row, beating them 7-0.

The Cats continued to dominate the play as Wakefield simply could not get the puck out of their end. The Cats' defense was relentless in their effort to keep puck in the Wakefield zone with outstanding play at the point from Cam Fitzpatrick, Matt Stokes, Mike Derosa and Steve Dunnett.

The defense kept Anthony Botte very lonely in the Cats goal as he only saw a handful of shots, but stopped all of them earning the shutout.

The Cats jumped out on top as Matt Stokes made a fine rush up the right side and blasted a shot, beating the Wakefield goalie. This was all the offense the Cats needed, but they continued to fire shots on net as Alan Michael Santos took a feed from Eric Siegel and went to his back hand beating the goalie for the score.

The Cats were up 2-0 after one period and continued their efforts by potting five more unanswered goals in the second period. Nick Riccio scored when he crashed the net with the help of Casey Pickett and Justin Dirienzo.

Mike Derosa scored on a rush with Nick Riccio assisting. Eric Siegel rifled a shot off the goalie's stick and in. Justin Dirienzo took a feed from Casey Pickett and clanged it off the post, but gathered the rebound and scored. Eric got a gift goal as his shot was knocked in the net by a Wakefield defenseman and

the Cats closed out the second period ahead 7-0.

The Cats had some fun in the third period as everybody got moved around playing different positions. Dan Cushing, Mike Jensen and Andrew Goossens continued the press in the Wakefield end and the line of Matt Stokes, Steve Dunnett and Cam Fitzpatrick looked like they had played together all year. In the end the Cats preserved the shutout for Anthony Botte with the 7-0 win and kept their playoff chances alive.

Wilmington 9 Revere 2

The Cats second game of the day was played against Revere, another Dual State opponent and the result was the same as the Cats won going away, 9-2. The Cats jumped out early as Conor Murphy scored by crashing the net for a rebound with Matt Stokes there as well.

Revere tied the game as they scored a power play goal but Casey Pickett answered as she took a feed from Eric Siegel and buried the puck into the back of the net.

Mike Jensen, Dan Cushing and Anthony Botte were working the puck well and their hard work paid off as their shots were blocked out front. Mike Derosa sneaked in from the point, grabbed the rebound for the score. Revere got another power tally making the game close at 3-2 after one.

Justin Dirienzo put the Cats up by two as Casey Pickett found Eric Siegel and Eric hit Justin with a nice pass and Justin whistled one by the Revere goalie. The score was 4-2 after two periods but the Cats were totally dominating the

play. The Cats defensive duties were anchored by Mike Derosa, Steve Dunnett and Cam Fitzpatrick with help from Andrew Goossens, Dan Cushing and Mike Jensen. The net was in good hands as Alan Michael Santos played between the pipes for the Cats making some key stops to keep the Cats out in front.

The flood gates opened in the third period as the Revere goalie had to be tired as the Cats peppered him all game. Mike Jensen scored the first of five third period tallies for the Cats as he took a pass from Justin Dirienzo and rushed the puck up ice, beating the net minder for the score.

Justin tallied his second goal of the game in a scramble in front of the net with the assist from Nick Riccio. Mike Derosa scored his second tally of the game unassisted on a nice rush beating the goalie for the score.

Mike Jensen made a super play at the point as he knocked the puck out of the air with his stick and passed it up to Casey Pickett who made a behind the back pass to Rick Riccio who buried the puck into the corner for the score.

This was the highlight film play of the game as the Cats made it look easy. Andrew Goossens round out the scoring for the Cats as Steve Dunnett kept the in at the point and got it to Anthony Botte who found Andrew in the slot for the score and the 9-2 win.

Wilmington 4 Nashua 2

The Wilmington Mite A's took on the Nashua Panthers in a Dual State makeup game Saturday morning. The Cats were two points be-

hind the first place Panthers but by playing excellent hockey they got the win and two points to move into a tie at the top of their division with Tewksbury breathing down their back with games in hand.

Nashua scored first on the power play but that lead was short lived as Mike Derosa collected the puck off a Steve Dunnett shot and trickled one through the five hole for the score. The Cats went ahead scoring short handed as Dan Cushing and Alan Michael Santos effectively stopped the Panthers from breaking out of their end and Alan Michael was able to collect the puck from Danny behind the defense and faked the goalie for the score.

The Cats were flying as they started to dominate the play. Conor Murphy, Eric Siegel, Casey Pickett and Justin Dirienzo were reeking havoc on the Nashua defense. The Cats' defense lead by Matt Stokes, Cam Fitzpatrick, Steve Dunnett and Mike Derosa would not let the Panthers set up in the Wilmington zone. Anthony Botte was the backstop in net making several nice stops in this contest.

The Cats went up 3-1 as Nick Riccio fed Alan Michael Santos in front of the net. Alan Michael's shot was stopped but Nick crashed the net for the score and eventual game winner.

Nashua made it close scoring their second power play goal of the game early in the third but the Cats held them off for the rest of the game and Andrew Goossens put it out of reach when he fired a shot from center ice into the open net with 22 seconds left in the game.

Pee Wee C's enjoy win over Andover

The Super Star Video Peeewe C team beat Andover by a 4 to 3 score in a Valley League game last week. The Redmen broke on top in the first period when Danny Allen beat the Andover goalie to the stick side, after a couple of good passes from Ron Camara to Leo Keefe to Allen. Just two minutes later, Allen scored again, this time on a rebound of a Colleen Fitzpatrick shot. Leo Keefe picked up his second assist on the play. The Andover team scored late in the period and at the end of one period, the Redmen led 2 to 1.

The second period was scoreless, but saw a lot of fast skating and some good scoring chances by both teams. The Redmen showed a lot of offense as DeVito, Granville, Stanich and Tozowski moved the puck well, and got some good shots on net, only to be turned away by the Andover goalie. At the other end of the ice, Andrew McGuinness and Brian Sheehan were blanking the opposition, with good help from defensemen Peter Capraro, Ryan Bishop, Brian Chambers and Brendan Cottreau. The score after two periods was still 2 to 1 in favor of the Redmen.

The third period was barely

started when Danny Allen picked up his third goal for a natural hat trick, to put the Redmen up 3 to 1. Ron Camara and Brendan Cottreau picked up assists on the play. Then the Redmen seemed to relax too much, as the Andover team charged back with two goals to make the score 3 to 2 with just over three minutes left on the clock.

The Redmen defense tightened up again, with Bishop and Capraro banging puck after puck into the neutral zone to keep the Andover team from setting up their offense. Then with less than two minutes left to play, Ron Camara raced up

the right wing, faked a couple of Andover defensesmen and put a good move on the goalie, to score unassisted, and make the score 4 to 2 in favor of the Redmen.

Andover scored again after they pulled the goalie for a sixth skater, to make the score 4 to 3, but again the Redmen defense came alive and the clock ran out with Bishop and Capraro tying up the Andover forwards in the Tewksbury corner as the clock ran down. It was a good team win for the Peeewe C's 4-3.

Mite A's back in action again

Wilmington 7 Reading 2

The second game of the day and the fourth of the weekend was the District 10 Fun Tournament played against the Reading A team. The Cats once again dominated their opponent playing the majority of the game in the Reading end.

The Cats were simply faster and tougher than their counterparts but found themselves in the hole early as Reading tallied the first score of the game.

Eric Siegel evened the score as he turned on the jets and powered his way to the Reading net scoring short handed. The Cats killed that penalty successfully but got called for another and Reading was able to capitalize to put them back on top 2-1.

That was it for the Rockets as the balance of the game belonged to Wilmington as the Cats evened the score early in the second when Conor Murphy banged home the rebound of Andrew Goossen's shot. Eric Siegel put the Cats on top for good midway through the period as he took a feed from Mike Derosa and whistled the puck top corner for the score.

Nine seconds later Eric got off a yard shot that Conor Murphy followed up on for the score. This line of Eric, Conor and Andrew was just unstoppable in this game as they

teamed up again as Andrew and Conor worked the puck to Eric and his blast trickled behind the goalie not crossing the line until he moved his pads knocking the puck in the net. The Cats were comfortably ahead after two periods, 5-2.

The Cats' defense was backboned by the tremendous efforts of Cam Fitzpatrick, Matt Stokes, Steve Dunnett and Mike Derosa. The defense did not let Reading get going and the Cats forwards, Alan Michael Santos and Justin Dirienzo were tireless in their back checking efforts. The Cats continued to fill the net as Mike Jensen took a nice feed from Dan Cushing for the tally. Danny did a tremendous job killing a penalty for the Cats as he kept the puck in the Reading end for 30 seconds banging and getting banged, but not giving up on the puck.

Casey Pickett rounded out the scoring for the Cats as she crashed the net on a Nick Riccio shot for the score.

Anthony Botte played between the pipes for the Cats making several nice stops in the game before leaving with three minutes to go as nature called. Eric Siegel already with a hat trick in the game was called on to fill the net but Reading could not muster a shot and the Cats won 7-2.

Mite C's advance to finals

The Wilmington Mite C Team defeated a spunky Wakefield team Saturday, in the District 10 Mite Fun Tournament, hosted by Medford Youth Hockey. The Mini Cats came out flying and were not going home with anything less than a victory.

Wilmington scored early and often in this contest. Lewis Robertson gave the Mini Cats their jump start, when he scored the first goal at 3:25 of the first period on some nifty passing from Danny McDougall and Jesse Rossetti. Four minutes later, Lewis Robertson stole the puck away and skated in alone on the Wakefield goalie, he found the back of the cage to put Wilmington up 2-0.

Wilmington kept up the torrid pace, when Eric Parsons scored at 8:21 of the first period. Charlie Gendron worked the puck from the corner, and made a nice pass to Parsons, who was camped out front and made a great shot from the slot and beat the Wakefield goalie, to increase the lead by three. Next it was Charlie Gendron's turn to light the lamp for the Mini Cats. Brendan Collins made a fine pass to send Gendron in on the Wakefield goalie, Gendron shook off one defender and fired the puck into the net at 9:53 of the first period.

The second period was much like the first, with the Mini Cats still pouring on the shots. Kyle Creedon struck first, Brendan Collins and Kevin Barry did some hard work in the corners to get Creedon the puck,

where he found an opening between the Wakefield goalie's legs for the score at 4:32 of the second period. Charlie Gendron deposited yet another goal at 6:00 of the second period, when the Robertson brothers (Chris and Lewis) teamed up and passed the puck around to Gendron to give Wilmington a 6-0 lead.

Wilmington added to their lead, when Anthony Bruce made a great pass and sent Danny McDougall in on a breakaway. McDougall waited for the goalie to go down and shot the puck over the goalie's shoulder at 10:20 of the second period.

The third period wasn't as fruitful as the previous two periods, but the Mini Cats worked on their passing game and team defense. Lewis Robertson notched his first "Hat Trick" of the season, when he took the puck from his goalie Sean Callahan, and went coast to coast and beat the Wakefield goalie to finish off the scoring for Wilmington. Sean Callahan getting a rare assist for a goalie. Wilmington also got some great goal-tending from Sean Callahan stopping 10 Wakefield shots.

Playing some great offense for the Mini Cats but not getting on the score sheet was Scott Derrickson.

The defense was superb while holding Wakefield to just a measly 10 shots and one goal. Brendan Murphy, Andrew Flodin, Jesse Rossetti, Sam Grant and Anthony Bruce patrolled the blue line with tenacity.

Tewksbury Squirt B's toast their own Flames

The Tewksbury Squirt B's sponsored by Jimmy Mac's soundly defeated the Mighty Manchester Flames recently.

This victory was especially satisfying because it was only the second loss (against 10 victories) handed to the Flames this season and it ended a mini-slump (three losses, two ties) the Redmen have slipped into since that great championship weekend in Brookline.

TJ Greene had the lone Tewksbury tally in a 1-1 tie with Salem, N.H. TJ's shot was a beauty as he roofed it, far side from the slot. But it was upstaged by Matt "Triple Lutz" Bruno's work in the corner to get the puck to TJ. Matt was spinning like a top as he executed no less than three 360s.

The Redmen then dropped a pair of heart breakers to Triton (0-1) and Medford (2-3). Not much to report on in the Triton game other

than some strong defense from Billy Stuart, Bobby Bennett, Tim Dooley, Joey Ginsburg, Kevin Lyons, Sammy Macy and Katie Stokes. Medford jumped on a "flat" Tewksbury team for three first period goals.

Our troops finally found their legs in the third period and tossed in a couple. Off some hard work in the corner by Sean O'Hare and Matt Bruno in the corner, Timmy Sheehan found himself alone (except for the puck) in the slot.

The goalie guessed low, but Timmy went high. Late in the game, Joey Ginsburg kept the puck in at the blue line and launched one into a crowd in front. TJ Greene emerged from the ensuing scramble with his stick raised as the referee fished

the puck out of the net. While the comeback against Medford showed some heart, these were both teams

we should have beaten handily.

The next loop in this rollercoaster season was a strong Chelmsford team. Billy Stuart lit the place up with a number of great saves. Perhaps the best was on a shot that popped into the air off his pads and was dropping into the net when he reached back and gloved it on the just short (at least by the time the ref got there) of the goal line. You've got to be pretty quick to make two saves on one shot.

Chelmsford finally netted one (in addition to ringing a couple of posts) in the second to set the stage for a thrilling third period comeback. Late in the game, Jeremy Booth rifled one across the crease from the right wing corner to a perfectly positioned Scotty Capraro.

Without going into great detail, let's just say it's a good thing Scotty's feet were perfectly posi-

tioned too. The game ended in a draw.

Apparently, this effort rattled Chelmsford because they didn't show up for the scheduled rematch two days later. Instead, the Redmen arrived in Tyngsboro only to find the North Andover Knights there in a last second double secret rescheduled.

Coach Macy attempted to retool the Chelmsford game plan for North Andover, but there just wasn't enough time to pull the game films and review them. Unfortunately the result was an old fashioned butt whoppin' for the Redmen. The first Tewksbury goal came when Sammy Macy fired a rocket from the point.

Sean O'Hare kept the rebound alive to Marc Legere who jammed it in. The second came when Scotty Capraro slid the puck back to Kate Stokes at the point and then slid

into position to screen/tip Katie's strong shot.

The goalie stopped Scotty's tip, but Mike Taylor jammed in the rebound. Other than that it was all Knights.

Next on tap for Tewksbury was a trip north to the lair of the Manchester Flames in a hidden valley by the banks of the Merrimack. Apparently, this trip to the country was just what the Redmen needed as they hopped all over the stunned Flames.

Timmy Dooley rifled one in front of the point off a defender's skate (assists going to Marc Legere and Sean O'Hare), Marc Legere fed Kevin Lyons who blasted one from the point.

The goaltender got a piece of it,

but Timmy Sheehan was all over the rebound and popped it in. Next was the play of the game as Scotty "Lacrosse" Capraro picked a pass out of the air with the blade of his stick at center ice. Without breaking stride, Scotty cruised over the blueline and deposited a wrist shot from the top of the circle that proved to be the ultimate game winner. After Manchester made it interesting, Bobby Bennett muscled the puck through center ice with a defender draped all over him.

At the blueline, Bobby pushed the puck ahead for Sean O'Hare. Sean battled through a hook and scored on the delayed penalty to ice the victory. This was a tremendous team effort, arguably the best of the season.

Rose ignites troops in Double OT

A game winning goal by Daniel Rose in double overtime made the difference for the Tewksbury Mite II's who become the B Division champions at the 20th Annual Hallenborg Tournament St. Patrick's Day weekend. Paul Tosto lead the Redmen's offensive attack through their three preliminary games with eight goals and two assists.

Game one was against host team Billerica II. Followed by a scoreless first period, with neither team being able to capitalize on any scoring opportunities.

Tewksbury cranked up the offense with four second period goals followed by three more in the third. Cory O'Brien started the attack for Tewksbury with a quick goal less than a minute into the period, set up by linemates Paul Tosto and Shawn Donovan.

On this line's next shift, they put Tewksbury up 3-0 with Paul Tosto netting two goals less than a minute apart and O'Brien and Donovan earning assists. Ryan Doherty and John Arcari set up Danny Rose who knocked home Tewksbury's next goal to close out the second period scoring.

Eight seconds into the third, Paul Tosto netted his third goal of the game, off a nice pass from defenseman George Barnes. Andrew Lee was next, rifling one into the Billerica net next, with Cody

Legro and George Barnes setting up the play. Paul Tosto scored his fourth goal of the game to close out the scoring for a 7-0 Tewksbury victory.

Saturday afternoon's game was a "rough and tough" battle against Woburn II, with 10 penalties being called throughout the game. Woburn would prove to be one of the best, if not the best competitor that the Redmen have faced at the "B" level this season. Woburn went ahead 1-0 with two minutes remaining in the first period, but Paul "My Stick is Still Hot" Tosto tied it up one minute later, with Shawn Donovan and Chris Tully earning assists.

Tosto notched the game winner at 5:12 of the second period and scored again in the third for a natural hattrick, set up by linemates Cory O'Brien and Shawn Donovan. Final score: Tewksbury 3, Woburn 1.

Saturday night's game was against Burlington II, who had tied Woburn in their preliminary game. Both teams had beaten Billerica, so a win for Burlington would earn them a trip to the championship.

A loss for Burlington would tie them with Woburn at 1-1-1 and would come down to tie breaker rules to determine who would face the number one seeded Redmen in the championship game.

Tewksbury came out flying, scoring four first period goals. Shawn

Donovan started the attack less than a minute into the period with Paul Tosto and Shawn Bradley earning assists. Cody Legro put Tewksbury up 2-0, unassisted, followed by Cameron Doherty set up by linemates Danny Rose and John Arcari.

Paul Tosto scored the Redmen's final goal of the game at 5:34 of the first period, with Cory O'Brien earning the assist. With a comfortable 4-0 lead, and a guaranteed trip to the championship, Tewksbury's big "D" took care of business in the second and third periods. Burlington slipped one past Robbie Pappagianopoulos with 21 seconds to go in the third, for a final score Tewksbury 4, Burlington 1.

The Redmen arrived at the Hallenborg Rink for the championship game fully dressed and ready to go, having come directly from a league game at Skate Three. But as the game got underway, it was clear that the weary Redmen, who've been walking away with tournament championships all season, were going to work their hardest for this one.

Woburn dominated the opening minutes of play, with Tewksbury coming out flat. Woburn had some great scoring opportunities early in the game, only to be denied by Robbie Pappagianopoulos who was tough as nails in the Tewksbury net.

Chris Tully got the spark going for Tewksbury, rifling one into the Woburn net midway through the first period, assisted by linemates Ryan Doherty and Cody Legro. Woburn tied it up in the second, somehow stuffing one past Pappagianopoulos in a scramble in front of the Tewksbury net.

Both teams fought hard to break the tie in the third, but were unsuccessful, bringing the game into sudden death overtime. Although Tewksbury had the edge in the first overtime with some great scoring chances, they couldn't light the lamp.

Finally, halfway through overtime number two, it was Dan "The Man" Rose, who fired the game winning goal into the Woburn net, beautifully set up by Shawn Donovan and Cory O'Brien, to win the championship.

This was an outstanding effort by the entire team in what will surely go down as the most exciting game of the season.

Tewksbury only allowed three goals in the four game tournament thanks to the outstanding defensive play of George Barnes, Shawn Bradley, Evan Cutelis, Cody Legro, Keith McCarthy and Chris Tully, in front of goalie Robbie Pappagianopoulos, who proved to be virtually unbeatable in the Tewksbury net.

Mite A's make it a big 50

The Tewksbury Mite A team, sponsored by Dynawave, won their 50th game of the youth hockey season this past Sunday with a convincing 9-3 victory over Revere. The team's overall record moved to 50 wins 7 losses and 8 ties and marks the second consecutive year the Mite A's have reached the 50 win plateau.

Last season, the Dynawave sponsored Mite A's finished with a record of 51-7-12.

After a mid-February slump that saw the team lose three games to cross town rival Wilmington, the Mite A's have rebounded nicely by going 8-0-1 over the last nine games including winning the championship of the 20th annual Billerica Tournament. Currently, the Mite A's reside in a first place tie in both the Dual State and Valley Leagues with just six regular season games remaining before the league playoff championships.

By capturing the Hallenborg Tournament, it marked the fourth tournament victory of the 1999-2000 season for the team. Other championships include the St. Albans, Vt. Exhibition, 25th Annual Christmas Tourney in Hingham and the Ernest Memorial Tourney in Tewksbury.

During the streak, victories have been scored over Acton/Boxboro, 6-4; Masconomet, 5-2; Billerica, 4-1; Woburn, 9-3; Burlington, 7-2 and 6-0; Medford 8-3 and a 1-1 tie with Wakefield.

The goals have been plentiful during the latest unbeaten streak as the team has out scored its opponents 55-18. Forwards Corey Hamilton, Robert McVey, DJ Tanner, Dan Mazzei, Eric Major and Joe Napolitano have all contributed six plus goals during this hot streak while Jim Fitzpatrick, David Kando and Nick Rose have a combined 14 goals. Swingman Jonathan Deshler has contributed to the offense with a goal and several assists while switching between left wing, right wing and defense.

Defenseman Mike Chartier, Tim Frazier, Steve Marazzi and Steve Shainker have manned the defensive front with much force and have severely limited their opponents scoring opportunities.

Additionally, the defense has contributed 14 assists and a solid wrist shot goal from the point off the stick of Steve Shainker. Goalie David Couture has continued his season long stinginess as he has stuffed several breakaways during the streak and has been one of the top Mite A goalies playing in the Merrimack Valley.

With games looming against Haverhill, Manchester, N.H., Winchester and Wakefield, the team will have to be playing on all cylinders as Wilmington and Andover wait in the wings for bragging rights to the regular season championships.

Local band "Thorn" stems new CD

By SHAWN P. SULLIVAN
WILMINGTON - This is not the type of music that your grandparents would like.

That suits Thorn, a local rock and roll band, just fine. When the members of the group get together and write and produce their music, your grandparents are the furthest thing from their minds.

Instead, Thorn -- a three-man metal machine featuring guitarist Jim Mundy, vocalist Glenn Ford, and bass player Steve MacDonald -- is in relentless pursuit of the younger dudes who are old enough to remember Led Zeppelin and Metallica and Deep Purple, and young enough to really bang their heads to them.

Ford and MacDonald have known each other since the days when David Lee Roth was still with Van Halen. Friends since high school, the two Wilmington natives had performed in bands together from time to time. It was through MacDonald that Ford met Mundy, a Billerica resident and guitar teacher. In 1998 the thrashing trio got together. In no time, their band Thorn stemmed from their combined love of music and burning desire to globally conquer the world of rock.

"We want to play stadiums some day," says Ford. "We don't just want to play them. We want to fill them. Some people take a look at their careers and ask themselves where they want to be in ten years. We get together and ask ourselves where we want to be in six months."

Here's where Thorn is now. Last year the band recorded several of their songs at a production company in Londonderry, New Hampshire. The outcome of their seven-month effort in the recording booth was their very first CD, called, appropriately enough, "Thorn."

The CD, which boasts eight songs, is a tribute to anybody with relationship-angst coursing

through their veins. At one point everybody has been jilted by a lover. Everybody has gotten back into the game of love after rising like a phoenix from the ashes of a relationship that went up in flames. The adrenaline-pumped songs of "Thorn" take place between those two events.

One song on Thorn's CD, "Had Enough," is an assertive, angry

one Boston station, WAAF 107.3, have played one or two of Thorn's songs during their weekly shows dedicated solely to local bands bursting onto the scene.

"I was at my sister's house, just kind of fooling around with her stereo, and I heard one of our songs come on the radio," recalls Ford. "It was the first time that I had heard myself on the radio, so

<http://home.att.net/~thornmusic/Thorn.html>, gives surfers a heads-up on the band's music and progress. The CD, which cost \$10, can also be purchased through the website.

How did the guys come up with the prickly name of their band?

"We had been trying to come up with a name for our band for about six months," remembers Mundy, who has been playing guitar for twenty years. "I remember one day seeing a truck that belonged to some kind of business that dealt with trees. I can remember just looking at that truck and thinking, cool, 'thorn,' I mentioned it to the other guys, and, yeah, we stuck with that name."

Do you remember "This is Spinal Tap," a comedy from the early 1980s that spoofed the pretensions of the world of heavy metal music? In that movie, the band Spinal Tap was always out of a drummer because every one they hired eventually spontaneously combusted on stage.

Thorn has the same problem. No, their drummers haven't spontaneously combusted before live audiences at local night clubs on Friday nights. They have, however, been impossible to come by.

"We are avidly seeking a drummer," says Ford. "The three of us really know each other well. We have a good thing going in the way we're making music now, so it has been a bit of a pitfall to try and find the right person to play drums."

Adds Mundy, "We're looking for a drummer who is totally determined to make it. We want someone who is totally dedicated. It would be nice if the person has been playing drums for at least ten years and knows how to groove. You can't be afraid to hit those drums, you know?"

Anyone?

riff about finally breaking free from the manipulation of a one-way-street relationship. Another one, titled "Snow Blind," metaphorically conjures up the zero-visibility of inclement weather to symbolize the blurry condition of one who is currently unable to find their way through life. The ballad "Cage Me" uses it somber instrumentals and weary lyrics to convey memories of heartache, the fear that love might not last, and the decision to bypass such sadness and anxiety by not taking the proverbial plunge into a relationship.

Chances are, you may have actually heard a couple of these songs already. Two New Hampshire radio stations, Rock 101 WGIR and WHEB 100.3, and

I was feeling a little shaky. It was like a dream come true, you know?"

MacDonald felt an equal sense of accomplishment when he heard Thorn on the radio for the first time.

"I thought it was very hard to fathom at first," he says. "I thought it was pretty cool to hear us on the radio. Actually, I was relieved to hear us because in a sense it meant that we finally got to where it was we wanted to be."

The air play on the radio is but one tool with which Thorn has effectively promoted its new CD. The band has also designed a web site that has been partially responsible for the 100-plus CD sales they've enjoyed so far. The web site, which can be found at

Town meeting

Warrant summary, part two

FROM PAGE 1
possible. (Article 25)

• **CONTRACTS.** Will the Board of Selectmen and the Town Manager be authorized to occasionally enter contracts regarding the expenditures of certain funds provided to the town by the Federal Government and its grant programs? (Article 26) Will Wilmington renew its twenty-year contract with the Reading Municipal Light Department? The Reading-based department has supplied electricity to the town for a century and will continue to do so until the current contract expires in 2011. It is widely anticipated that, yes, residents will vote to renew the contract. (Article 27)

• **ALL WET.** Will Wilmington continue to participate in the financial assistance program of the Massachusetts Water Resource Authority? The program, on which Article 28 focuses, provides the town with grants and interest-free loans to fund its sewer rehabilitation program. Voters will also examine Article 36 to decide whether or not the town can appropriate a sum of \$400,000 to use to test all public and private water wells.

• **MONEY OUT, MONEY IN.** Should Revolving Funds be continued for a Compost Bin Recycling Program (Article 29) and the repair and upgrade of the town's subsurface sewage disposal system (Article 30)? The town hopes that voters will authorize the borrowing of funds for these two endeavors, in the anticipation that compost bin sales and expected state aid from the Department of Environmental Protection and the Environmental Trust will reimburse the costs of both.

• **FUN 'N GAMES.** Article 31 proposes the regulation of poker machines and other gaming devices located at various clubs and businesses throughout town. The article proposes that Selectmen would not be able to ante up any licenses for any gaming devices that pose certain risks of misuse up their sleeves. The article proposes to give Wilmington police the permission to inspect and make sure that

game devices don't cross the line into actual gambling and financial profit. Anybody caught cheating at this proposed by-law would be risking quite a gamble, for the offender would be slapped with a \$200 fine.

• **NO BUTTS ABOUT IT.** Voters will decide whether or not an individual's right to light a cigarette in a restaurant will go up in smoke effective September 5. Article 32 proposes that restaurant owners ban smoking in their restaurants. Furthermore, the restaurant owners must post such prohibitive signs throughout their restaurant, filtering to their patrons the threat of a fifty-dollar fine if they light up. Incidentally, if said patron does light up, the owner would have \$50 stamped out of his wallet, as well.

• **IN THE ZONE.** Articles 33, 34 and 35 regard zoning matters and their related by-laws. Meeting voters will vote whether or not to amend the zoning languages of the town's Accessory Apartment provision and the Groundwater Protection District By-law. Voters will also decide whether or not to authorize the transfer to the Conservation Commission the care, custody, management and control of a stretch of land located on Wildwood Street.

• **COULD THE FACE OF THE TOWN MEETING CHANGE?** A new president won't be the only thing that residents will vote for this fall. At the Town Meeting voters will determine whether or not petitioned Articles 37 and 38 will be placed by the Board of Selectmen on the November 7 ballot. The former article asks whether or not the Town Charter and By-Laws should be revised to make room for a Charter Commission and Planning Board to be elected by Wilmington voters. The latter article proposes that a vote be taken to change the annual Town Meeting from an open forum to a representative one.

The remaining 19 articles of the Town Meeting warrant, all of which were petitioned, will be summarized in next week's edition of The Town Crier.

The Boston Pops appear locally next weekend

Stoneham father/son duo are in the orchestra

By CHARLOTTE COOPER
STONEHAM - Fred and Dave Buda have more than just close father and son ties in common. They are both musicians performing with the Boston Pops Orchestra and will be combining their talents during the Pops concert at the Lowell Memorial Auditorium, Friday evening April 7th, presented by the Tewksbury Rotary Club.

"I started playing when I was four. I used to play on pots and pans," 65-year-old, Stoneham resident Fred Buda said. "I made a lot of noise. Fortunately, we had very understanding neighbors in New Bedford." He said his parents loved music and would take the family to concerts. "I'd love to listen to the bands and I'd focus in on the

drummer," he added. He said that his parents hoped he'd play the violin, but were equally happy that he became a drummer.

His son Dave, 33, currently living in Boston, also began drumming on the pots and pans when he was about five, but it wasn't until age 12 that he discovered the bass guitar. "There was always music being played at the house, between hearing my dad playing jazz albums and my brother playing rock albums," Dave said. "That's how I got exposed to rock."

"My wife's family has a strong musical background," Fred said. He said that she was a dancer and her parents were

not only musicians, but also Holocaust survivors, as was she. Fred said his father played a little mandolin.

"There was no one to study with at the time," Fred said. "So I played by ear, listening to the music of Gene Krupa and Benny Goodman." He also said that he visited the Metropolitan Theater in Boston, which is now the Wang Center, and heard the live bands.

"When I was about twelve, I began playing at weddings and with other kids in bands," Fred said. He said that he knew then that he wanted to be a drummer. "We moved from New Bedford to Fall River and it was difficult to

Spring rummage sale in Winchester

The Parish of the Epiphany in Winchester will soon be holding its spring rummage sale, a tradition which offers high-quality items at exceptional value. It takes place on Friday, March 31

from 6 to 9 pm and Saturday, April 1 from 10 am to 2 pm.

Men's, women's and children's clothing will be offered and a fashion boutique will feature the fanciest clothes. Toys,

linens, kitchen items and other household articles will also be sold at bargain prices.

The Parish of the Epiphany is located at 70 Church Street. Admission is free. The proceeds will be used by the Women of Epiphany to support many charitable activities both within and outside the community.

About The Towns

Hill side in Stoneham

"Janet Hill, an ID checker in the customer service department at Hanscom Air Force Base Commissary has been named the Defense Commissary Agency (DeCA) Outstanding Employee with Disabilities for 1999," notes the "Stoneham Independent."

"DeCA operates 289 commissaries worldwide through four regions and has approximately 16,000 employees.

"Hill, a resident of Stoneham, was presented her award by the new Director of DeCA, Air Force Major General Robert J. Courter, Jr., during ceremonies held at DeCA headquarters in Fort Lee, Virginia. Also present were the Northern Area Vice President Dennis Syracuse and Eastern Region Director Charles M. Wiker. Hanscom Commissary is in the Northern Area of the Eastern Region of DeCA located just northeast of Boston.

"Hill was cited for 'working diligently in her efforts to satisfy demands, solve problems and correct errors. She enthusiastically wrote and made daily announcements for all commissary departments, responded to customer inquiries, researched prices, and ensured that only authorized customers shopped in the commissary.'

"Hanscom Store Director Len Langford said, 'Janet Hill always has a smile on her face and is willing to provide the best customer service possible. Her efforts are an important part of Team Hanscom!'"

A new page in Tewksbury

"After a lot of hard work and dues-paying, perhaps there is nothing more rewarding than finally finding a job that combines all of one's interests and passions and skills and experiences," notes the "Tewksbury Town Crier."

"Cynthia Fordham, who turned a new page in her career when she came aboard the Tewksbury Public Library as its new Children's Librarian, finally feels as though she has found a home that is a combination of what she likes, what she cares about, what she knows best how to do, and where she's been to acquire such knowledge. To put it in a way that any librarian would appreciate, Fordham has arrived at her new job with enough credentials and ideas and fascinations to fill a book.

Winning combinations

"I'm actually coming from a little detour in my career," says Fordham about her arrival at Tewksbury Public Library. "For the last eight and a half years I was a corporate librarian for Sasaki Associates in Watertown. I helped look for references and answer questions for architects

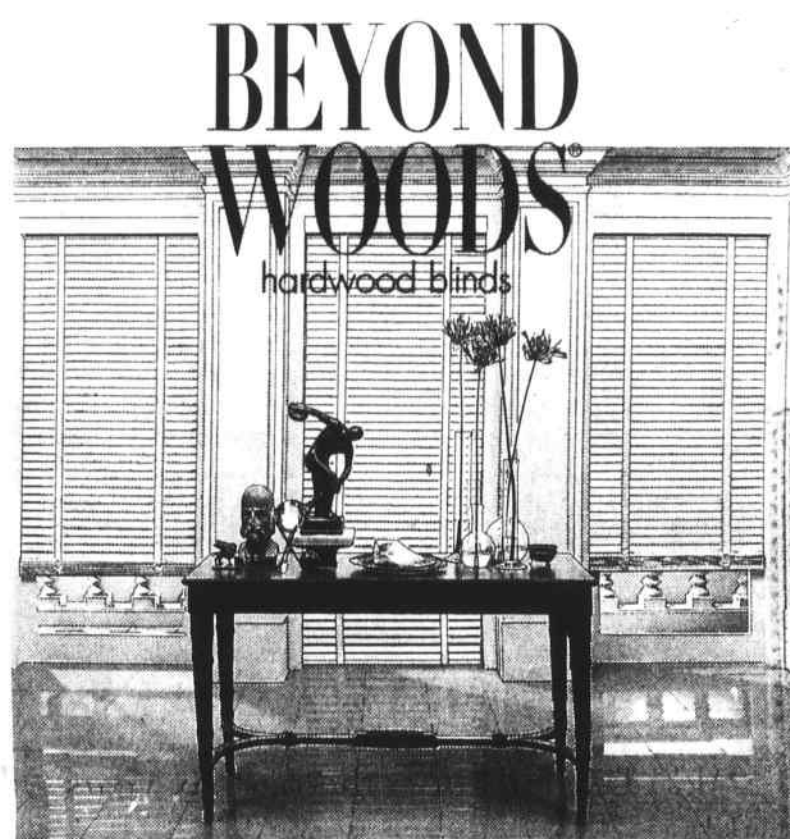

and engineers and landscapers and interior designers. Now that I'm a children's librarian I feel as though I'm in the right place to answer kids' questions because I answered a lot of strange ones at this previous job."

Vaillancourt
FOLK ART

When you hold a Vaillancourt figurine, you're holding history. Each piece is a direct link to the past, carefully made from the very same antique molds - some more than 100 years old - originally used to make chocolate candies and ice cream. Once the figurines are hand-painted, they come to life with the authentic look, feel & faces of a bygone era.

get to Boston, which is where you needed to study, so I was pretty much self taught." He said that he had to relearn how to read music later in his career.

Dave had an advantage. In addition to encouragement from his parents, he had more exposure to training opportunities at an earlier age. He'd begun on the drums, then tried the saxophone, but it wasn't until hearing the bass guitar that he'd found his instrument.

"I was fourteen when I began playing bass guitar. It was actually a mistake," Dave said. "When I first started listening to rock, that was the first time I'd heard the sound of a really loud guitar." He said he'd been told the sound was from an electric bass. "I'd talked about it to my parents and my grandparents often. I remember one day I came home and there was a bass guitar."

"Dave was 14 and we got it for his birthday. He got into it and played it continually. He said to me one day 'I think I'd like to take some lessons.' I told him there'd be one stipulation, that if you study, you have to practice," Fred notes. "That was the first time and last time I ever told him that, because you had to try that instrument out of his hands to get him to stop even for dinner."

Fred's career developed extensively when he went into the Navy at eighteen years of age. "That's where I was able to study music. I went to the Navy School of Music and I was in the Navy band. After I left the Navy, I became involved with many bands: Woody Herman's band and American Ballet

Theater, among others," he said.

"I was going to live in New York, but then a job opened up at the Berkeley School of Music," Fred said. "Even though New York is a great city, I knew Boston and I liked Boston." While he was working for the American Ballet Theater orchestras, he met his wife. He married in 1965 and started teaching at Berkeley in 1966.

Fred said that soon after that, Arthur Fiedler put together a pops orchestra, because the symphony was out of town. His first meeting with Arthur Fiedler produced a disagreement between the two, but because of it, he'd earned Mr. Fiedler's respect and he was hired a short time later.

Dave's career on bass expanded while he was in high school. He'd heard about another instructor through a friend of his and decided to train under him for a while. His new teacher, a Saugus resident and Berkeley graduate named Al Hinckley influenced his music and encouraged his talents.

"He introduced me to modern jazz and took me to concerts. He really stoked my passion for the bass," Dave said. When he graduated high school, he'd planned to continue his education at music school, but an opportunity to join a band was too tempting to pass up.

"It was a great band. We had a fourpiece horn section," Dave said. He said that the members were all Berkeley graduates and they taught him how to arrange pieces and play better. "We toured Europe. It was a great experience and I learned so much." He said that shortly after the band broke up, he met

a wonderful teacher named Charlie Banacos.

"He was a famous jazz pianist and I was with him for about 7 years. He was the greatest teacher I've ever had," Dave said. "He encouraged me to become a freelance player." Dave's been with the Pops for three years now as a freelance bass guitarist, while his father has been an orchestra member for 34 years.

Their instruction under Keith Lockhart has been a learning one. Fred said that the Pops music has evolved with the changing times. "Keith has been able to bring in musicians who, like Dave, can play the modern styles, and who are also

well versed in older styles," Fred said.

"Keith has his hand on the pulse of what music is going on now, and that's what I like about him," said Dave. "He's a real conductor, and he knows what's going on in the pop world. When he speaks to the guitar players, he understands our terminology well. He's been able to bridge the classical and modern music worlds together."

Fred said that it's difficult for someone so young to have a job of such magnitude as conducting the Pops, but that Keith does it very well. "The orchestra has completely changed since I was in it. Broadway and jazz music sound wonderful with the orchestra," he said.

"Keith looks for new ways to present the music to the audience," Fred said. He said that Keith is trying to appeal to the younger generation and get them involved in Pops. He said that when the orchestra is introduced to the rock style of music is when it becomes difficult.

"He's trying to appeal to a younger generation who primarily grew up with rock music," Fred said. "You have to bring in the whole rock sound, and that's difficult for an orchestra." Both Fred and Dave think that if anyone is able to do it, Keith can.

Fred and his son do practice together. "I do play with him," Fred said. "I try to keep up with him, but sometimes it doesn't work."

Fred also carries a full schedule of his own. "I also play tympani with the Boston Ballet, contract musicians at the Wang Center and the Shubert Theater, teach at the New England Conservatory of Music and UMass Lowell, and I have my own Jazz Pops ensemble," Fred said. He said that above all, he has a wonderful wife and two great sons and a soon-to-be daughter-in-law.

"I've had a very lucky, good, dream-come-true musical career," Fred said. He said that he'd always wanted to be a bass player, but he's enjoyed the drums. "That was my second love and now my son is playing that instrument."

Middlesex East Sports Athletes & Activities

BY PAUL FEELY

MIDDLESEX EAST SPORTS WEEKLY TRIVIA QUESTION: A member of the Baseball Hall of Fame got up exactly once in the Majors and struck out. Who is it? Answer appears elsewhere in this column.

The Valley Junior Warriors Mite "Gold" team capped off a perfect 18-0-0 season with a 5-2

win over the Middlesex Braves in the semifinal round last Saturday.

Scoring the winning goal for the Warriors was **READING'S OWN NICK TIERNEY**. Tierney intercepted a clearing pass in the offensive zone and roofed a stinging shot over the shoulder of the Braves' goalie.

On Sunday the Warriors met the South Shore Dynamo in the Massachusetts Select Championship game. The Warriors did not let their fans down and took the title by shutting out their opponents 2-0.

This action-packed game went back and forth with great scoring chances at each end. It wasn't until the ten minute mark of the second period that the Warriors got on the scoreboard. Winger Cameron Chaput spotted **READING'S CHRIS MAYNE**, stationed at his left point position. Chaput fed the puck to Mayne and the Reading sniper whistled a shot off the upper post and into the net before the stunned Dynamo goalie knew what happened.

The Warriors added an insurance goal 13 minutes into the third period which sealed the game.

Great goaltending by **READING'S BRETT SWEENEY** throughout the game preserved the shutout. Sweeney successfully defended the Warrior goal every game throughout the year and finished the season with an impressive 1.88 goals against average.

"This was a special team, going undefeated throughout the year and finishing in first place. Winning the Gold Medal at the Can-Am tournament in Lake Placid this past November and capturing our gold medals in the states will be something we'll always remember," stated the Reading trio.

The Warriors are a select team made up of talented players from the Northshore and Merrimack Valley. They are one of 11 teams in the Massachusetts Select League. Warrior home games are played at the Valley Forum in Lawrence, MA.

A silent auction will be held on April 8 at the Woburn Elks (7 p.m.) to benefit the **PETER MOSCARIELLO SCHOLARSHIP AWARD**.

Tickets to the auction/dance are \$20, which includes a buffet dinner, and are available at Hillside Florist and Reading Trophy and Shirt Shop in Reading.

Donations will help fund the scholarship, which is given to a member of the Reading Memorial High School graduating Class of 2001. The committee will grant the scholarship to a student who exemplifies the qualities of current RMHS baseball coach/teacher Peter Moscariello, a strong role model in the lives of many youths.

Any donation would be greatly appreciated, and the type of donation is at your discretion. If you choose to contribute a monetary donation, please send it to Fleet Bank, o/o Vivian Craig, 580 Main St., Reading, MA 01867. Checks should be made out to the Peter Moscariello Scholarship.

If you would like to donate a service or item for the silent auction please contact Eileen Woods (944-4432), Ann Hardy (942-1489), Diana Halsey (942-2897) or Lucille Kaloyanides (944-2210). Donations will be recognized in writing and also at the April 8 auction.

If you have any questions, please contact any of the above mentioned committee members.

Need some clues to help out with the above-mentioned trivia question? The player's first name is Walt.

WINCHESTER'S NICOLE CUFF, a junior on the Merrimack College Women's Lacrosse team, scored three goals for the Chieftains in a recent win.

ANSWER TO THIS WEEK'S TRIVIA QUESTION: The player is Walt Alston, who played for the St. Louis Cardinals.

DO YOU KNOW SOMETHING WE DON'T? If you have information about a local athlete that you would like to see appear in this column, please mail it to: Paul Feely, Middlesex East Sports, P.O. Box 240, Reading, MA, 01867, or call Paul at 781-944-2200 between 7 am and 3:30 pm, Monday through Friday, or fax information at 781-942-0884.

FUN FAMILY SERIES CONTINUES

"Supersonic Music" is the theme for the upcoming "Sunday Funday" event. Nanette Perrotte, of Creative Building Blocks, will be the special guest presenter on Sunday, April 2. Creative Building Blocks provides music and dance teachers for daycare centers, public schools and after-school programs in Boston as well as the suburbs.

The "Sunday Funday" series offers fun, entertaining and inexpensive things to do for youngsters and adults together. All the fun takes place from 5:30 to 6:30 pm at the First Congregational Church on 121 West Foster Street, Melrose. Tickets are \$3 per person at the door. There is free parking in the lot and on the street.

The series is a community program presented by National Coalition for Educational and Cultural Programs, Inc. (NCECP) with support from the Melrose Arts Council. Future dates include: May 7th-Puppet Show and Balloon Creations; June 4th Summer Sillies (wear your sun glasses). Questions may be directed to NCECP at 781-279-4658. NCECP is a non-profit agency benefitting children by supporting teachers and families since 1991.

BREASTFEEDING IS TOPIC OF LA LECHE LEAGUE

The gradual transition from breastfeeding to the family dinner table can be accomplished smoothly and instill healthy attitudes about food. Practical information about weaning and family nutrition will be shared as La Leche League of Reading meets to discuss "Nutrition and Weaning" on Wednesday, April 5 at 10:15am at the Reading Public Library (upstairs meeting room), 64 Middlesex Avenue, Reading. Women from surrounding towns are welcome.

This meeting is the fourth in the current series of four monthly meetings open to nursing mothers and their babies as well as pregnant and other interested women. The discussion is informal, with opportunity to ask questions and share experiences. The group maintains a lending library of books on breastfeeding, childbirth, and childcare. La Leche league Leaders may be called at any time for immediate help, encouragement and practical suggestions regarding breastfeeding or to obtain the manual, "The Womanly Art of Breastfeeding."

For directions, further information, or encouragement, please call one of the group leaders: Karen 978-657-8301, Sharon 978-694-1012 or Terry 978-694-1073.

Breast cancer Silent Auction

Friends Fighting Breast Cancer takes pleasure in announcing its Silent Auction will be held on Saturday, April 1 at the new Spinelli's on Route 1 South in Lynnfield from 6 pm to midnight.

Join FFBC for a sensational night of bidding, raffles, chance drawings, dancing to a live band, food and dessert stations, and a cash bar. A special guest appearance will be made by Billy Costa of Kiss 108 FM who will kick off the festivities.

Over 100 unique auction

pieces are featured, including overnight stays at some of Boston's premiere hotels, autographed sports memorabilia, fitness club memberships, electronics, golf outings, art, jewelry and furniture.

Guests will be entertained by the B-Street Bombers Band following the auction. This versatile group of musicians has entertained at two previous FFBC gala dinner dances and they know how to keep a dance floor crowded.

The grand prize in the

group's chance drawing is round trip air fare to anywhere in the continental U.S. plus a three-night stay at Robert Redford's Sundance Resort in Utah. The second prize is a \$500 gift certificate to Jordan's Furniture, and the third prize is an overnight stay at the Marriott Hotel in Cambridge, including breakfast and dinner. Chance tickets cost \$20 each.

Silent auction tickets are \$35 per person. Requests must be received by March 20. To reserve tickets, call 978-664-6947 or send a check payable to FFBC c/o Fran Gilardi, 9 North Hill Dr., North Reading, MA 01864.

Chiropractic care for children

Chiropractic care has found its niche in the mainstream approach to maladies of the spine and related systems. Insurance companies and

HMO's have included chiropractic coverage on most every policy due to the growing patient population and expanding referrals from the traditional allo-

pathic services as the first line of defense for low back pain and injury. A growing population of patients continues to raise eyebrows despite the increased acceptance and windfall of substantial scientific data the pediatric patient. Patients are bringing their children to their personal chiropractors for evaluation and treatment of an increasing array of disorders. Headache, detection of scoliosis, sprains and strains from falls and prevention of routine ear infections are among the many reasons for chiropractic care.

The delivery of chiropractic care to a pediatric patient is similar in focus and philosophy to that of an adult, but it is performed with far less amplitude and force. Given the proven effectiveness of chiropractic care in the adult population, it is only reasonable that the pediatric patient would also benefit from its use. Pediatric injuries have skyrocketed in this modern day of organized athletics and extreme sports such as skateboarding, skiing, and snowboarding. A growing trend of pediatric neck pain and headaches have emerged that coincides with the many increased hours of playing computer games. The spine and related structures of a child endure the same forces that cause injury and are susceptible to joint restriction and muscle spasm as in any other population of patients.

The Winchester Hospital chiropractors, Dr. Gary Kane and Dr. Lee Zohn are both available at the Winchester Hospital Chiropractic Center in Baldwin Park I, Woburn. For more information call the Community Health Institute at 781-756-4700.

ALEX FOSTER, WHO HAS EXPERIENCED the common "growing pains" of many children his age, is shown here being examined by Dr. Kane.

Scholarship prizes

MS2000 essay contest

In a national essay competition known as PROJECT: Learn MS 2000, high school and college students may compete for thousands of dollars in college scholarship awards. Sponsored by the Multiple Sclerosis Association of America (MSAA), PROJECT: Learn MS 2000 is designed to educate students about MS a crippling disease that affects young adults.

The essay competition, which awards a total of \$8,000, is open to high school juniors and seniors and college freshmen and sophomores. Entries must be postmarked by June 2, 2000.

Students may obtain an official registration form by accessing www.msaa.com, emailing projlearn@msaa.com or calling 1-800-LEARNMS.

Now in its seventh year, MSAA's PROJECT: Learn MS encourages students to write a 500-1000 word essay on how multiple sclerosis affects a person and his or her family on a daily basis. Each entry must be typed and doubled spaced, and can take the form of a traditional essay, personal narrative, an open letter, feature or fiction story.

"Oh my aching discs, joints and nerves"

Backache, one of the most common ailments, is widely prevalent these days due to sedentary living habits and hazardous work patterns. The psychological conditions associated with emotional stress, which bring about spasm of the muscles, may also cause backache.

As the back bears the weight of the entire body it gives way when it has to carry an extra load in the case of persons who are overweight. The back, a complex structure of muscles, bone and elastic tissue, is known as the life-bone of the body. The spine is made of 24 blocks of bone piled one on top of the other. Sandwiched between these bony blocks are cushions of cartilage and elastic tissues called intervertebral discs. The vertebral discs act as shock absorbers for the back. Mobility would be impossible without discs.

Sometimes these cushions rupture and the pulp protrudes a little. The process is erroneously called a 'slipped' disc. If the cushion disappears entirely, the result is known as a degenerated disc. In slipped-disc trouble, the nerve is affected in such a way that the pain radiates down the thigh and leg. If the disc 'slips' in the neck area, it causes a numbness and pain radiates to

the arms.

Disc trouble does not occur suddenly but builds up over a long time. The backbone forms a protective arch over the vertebrae and spinal cord and protects the spinal nerves that are interwoven through the spinal column. There is a close relationship between the bones, discs, joint muscles and nerves in the back and the slightest problem or injury to the back or neck area can have disastrous effects.

SYMPTOMS

In most cases of backache, the pain is usually felt either in the middle of the back or lower down. It may spread to both sides of the waist and the hips. With acute pain, the patient is unable to move and is bedridden.

About 90 percent of backache patients suffer from what is called cervical or lumbar spondylosis. It is a degenerative disorder in which the vertebral bone or the intervertebral disc becomes soft and loses shape. As a result of this, the spine loses its flexibility.

CAUSES

The main causes of backache and spondylosis are muscular tension, joint strain, poor posture and incorrect nutrition

Free lecture

Domestic violence across generations

When working with victims of domestic violence, it never gets any easier to hear stories of abuse. Though women of different ages and races handle the effects of violence differently, they all share one thing in common: the need for outside help.

Hallmark Health and the Continuing Education Program of Melrose-Wakefield Hospital will sponsor "Domestic Violence: Across Generations"

on Monday, April 3 from 6:30 to 8:30 pm, in the Perkins Lecture Hall at Hallmark Health/Melrose-Wakefield Campus.

This free lecture will tackle the problems professionals face when trying to help victims of abuse. Discussion will review what behaviors constitute domestic violence, and will focus on gaining understanding of the victim's viewpoint and steps to get the appropriate help. Speakers will also explore the way some older women and women from various cultures approach abuse as a source of shame or an unchangeable fact.

The discussion will include the following speakers: June Williams, RN, CEN, Hallmark Health Education nurse and Domestic Task Force member; Suzanne Adamczak, Outreach Coordinator for Services Against Family Violence; Kate Galenius, LSW, Older Battered Women

Program of Greater Lynn Senior Services and Donna Kausek, M.Ed, Help for Abused Women and Children.

All professionals are welcomed and encouraged to attend. 2.0 nursing CEUs will be awarded, and social worker CEUs are pending. To register for the lecture, call Kathi Whittier, Hallmark Health at 781-979-3438 by March 30.

School Notes

by Phyllis Nissen

Survey says...

Day in, in Wakefield

"Final results of the all-day kindergarten survey of parents have been tabulated, publicly released and presented to the members of the School Committee," notes the Wakefield edition of the "Daily Times Chronicle."

"A survey was distributed to get the input of those whose children were in kindergarten last year (1998-99), this year (1999-00), or will be entering kindergarten within the next several years," states the survey results.

"A total of 380 surveys were returned to the all-day kindergarten task force members, and were available through a number of outlets, including the Lucius Beebe Library Children's desk, local preschools, elementary schools, and through repeated newspaper publications of the survey."

"The surveys were anonymous, no space was provided for parents' name/address/phone number," states the text included in the results. "The tabulated results below supersede the report given in December."

"What results surprised officials? The anticipated bus ridership was reportedly, 'a low percentage, which looks like it will stay low'."

"Only 51 (13 percent) of those polled said their child would definitely ride the bus to school, and 22 parents indicated their child may need transportation if the classes were centralized."

"The five major categories produced conclusive data, which will reportedly be of great assistance to School Officials while factors regarding the implementation of all-day or extended kindergarten sessions is reviewed."

"The five categories and subsequent results are as follows: Demographics of Respondents:

"305 (80 percent) of those surveyed have a child aged 0-4; 125 (33 percent) have a child entering kindergarten in the 2000-2001 school year; 129 (34 percent) of parents have a child currently in kindergarten sessions; 216 (57 percent) have or have had a child in preschool more than 2.5 hours a day; 50 (13 percent) of parents have had a child in kindergarten for more than 2.5 hours a day."

"Results show the overwhelming majority of parents, 339 of the 380 polled, are in favor of a longer kindergarten day. Only 41 respondents, 11 percent, would like to keep the kindergarten day at its current length of 2.5 hours..."

Well done in Lynnfield

"For the third straight year graduates of Lynnfield High School have responded to an alumni survey conducted by the School Committee," notes the "Lynnfield Villager."

"At their meeting Director of Curriculum and Technology Peter Manoojian presented the School Committee with that survey's results."

"The results presented were responses from the class of 1998. Nineteen of the 103 graduates responded. This number represents 18.5 percent of the class, down from 20 percent of the class of 1997 and 25 percent from the class of 1996."

"The survey measured how the graduates felt in several areas including: college preparation, learning skills, academic program rating, guidance sources, library/media center, present feelings towards LHS as well as the school's strengths and weaknesses."

"The survey showed most of the respondents felt they were prepared for the college level in many areas including: reading, study load, writing assignments, social studies, foreign language, math and computers, but not science."

"The survey also questioned how well prepared the graduates' personal skills were. The feelings towards this subject area were not as strong. The highest rated area for personal skills was the ability to make informed education choices, which received a 2.88. The low-

est category of personal skills rated by the graduates was preparation for full-time employment responsibilities. That category received a rating of only 1.70."

"Sixteen subject areas were evaluated for learning skills on the same scale. The highest rated subject area by the class of '98 was grammar, which received a rating of 3.33. The lowest rating, 2.13, went to the area of career exploration."

"Other English areas ranked amongst the best including writing at second with a rating of 3.22 and listening skills fifth at 3.11..."

Debatable in Winchester

"Although by a vote of the student body, about two-thirds favor keeping the suddenly controversial Sachem name and symbol, there are many who believe in retiring the mascot," notes the Winchester edition of the "Daily Times Chronicle."

"Many students attended the School Committee's public hearing in the high school auditorium to discuss the subject. Some expressed their feelings through their silent presence, some through clapping or booing while others rose to the podium and spoke."

"The first to speak was WHS junior Elizabeth D'Entremont. As a student athlete she believed that she represented the vast majority of WHS students. D'Entremont wanted to give a clear perspective. So often, said D'Entremont, there is a desire to change symbols, rather than live with them and respect them. D'Entremont said that

"Mission to Mars" a ripoff

MOVIE: "MISSION TO MARS"
GRADE: *

Review: This '2001: A Space Odyssey' ripoff is painful to sit through.

Gary Sinise plays an astronaut that joins a mission to mars to see what happened to the first manned mission to the Red Planet.

Once there, he and his team supposedly learn the meaning of life from an alien blueprint that was left behind. If you've seen the Stanley Kubrick classic '2001', there is no need to see this one. There are too many similarities for it to be just a coincidence.

SHORTTAKES
MOVIE: "THE WHOLE NINE YARDS"
GRADE: ***

Review: Bruce Willis' mob enforcer moves into suburban Montreal and right next door to Matthew Perry, causing all sorts of havoc in this funny, though

she stands with alums, with fellow students in the belief that the 'Sachem' is a symbol of honor."

"It is not about religion. It is about respect and honor, said D'Entremont. She emphasized her point of Native American pride with the fact that the state of Massachusetts is named after a native tribe."

"D'Entremont brought up the funding issue at WHS. This past year, sports teams had to be cut due to a lack of money. 'What will happen if the Sachem logo is gone?' she asked. When there is not enough funding to change all the uniforms will sports teams be cut? D'Entremont said that the basic argument is that it is a decision of the community."

"Sachem" is only the second part, "Winchester" is the first, said D'Entremont..."

sometimes annoying new comedy.

Willis plays Jimmy 'The Tulip' Tudeski, a Chicago mob enforcer that turned rat once arrested. His former colleagues, played by Michael Clarke Duncan and Kevin Pollack, want him dead, and offer a reward for information about his whereabouts.

Tudeski moves next door to Oz, a dentist played by Perry, who has money problems after his wife, played by Rosanna Arquette, runs up enormous amounts of debt. She wants him dead so she can collect the insurance money, and Perry strikes up a nervous friendship with Willis' character.

If you've seen the television show 'Friends', then you've seen Oz before, because he is the same as Chandler, the character Perry plays on the show. He is funny, but you've seen it all before. Willis' comic timing is very good, as is Duncan's. Pollack and Arquette are simply annoying with their obviously fake accents, but the movie is good for a few laughs.

"HANGING UP"
GRADE: **

Review: This movie won't cause Meg Ryan's acting career to come to a screeching halt, but it's not the best item on her resume, either.

Ryan plays Eve, the middle of three sisters, played by Diane Keaton (the oldest) and Lisa Kudrow (the youngest). Their father, played by Walter Matthau, is nearing the end of his life, and the three must come together to not only help ease his last few months and days on earth, but also to console each other on their impending loss. Their mother abandoned the family when they were young, and the three of them have helped raise each other while also looking out for dad, which has caused some turmoil between the siblings.

Ryan and Matthau turn in decent performances, but Keaton and Kudrow's characters could have been played by anyone. The script doesn't offer much, and the three aren't very believable as sisters. Ryan should avoid doing another Delia Ephron-scripted film like the plague (she also wrote the lackluster 'You've Got Mail').

"EYE OF THE BEHOLDER"
GRADE: *

Review: Ashley Judd doesn't make too many clunkers, but this one certainly ranks up there with 'Wing Commander' as one of the worst movies to come down the pike in the last few years.

Movies

From S-8

Ewan Macgregor plays a British intelligence officer (I think, because it's never really explained just what the heck he's doing throughout the film), who, while on a personal surveillance job for his boss, sees a young man killed by a woman played by Judd. He becomes infatuated with her, and follows her around as she moves from man to man, killing each along the way.

The plot is confusing, k.d. lang's turn as a receptionist is about as believable as the Celtics winning the NBA championship this year, and you will walk out wishing you had spent the last two hours getting your tongue pierced, rather than watching this piece of cinematic rap.

MOVIE: "SCREAM 3"

GRADE: ***

Review: Wes Craven's slash-er series continues with this, the third and supposed final chapter.

Neve Campbell returns as Sydney, along with 'Scream' veterans Courtney Cox-Arquette and David Arquette, who once again join forces to find out who is making Sydney's life a living hell by killing those around her. This time the murders are taking place on the set of 'Stab 3', a movie based on the events of the earlier films, which brings Sydney out of her reclusive lifestyle as she attempts to put an end to the killing once and for all.

The witty dialogue and hip, clever cameos are back in this film (despite the fact that writer Kevin Williamson, who penned the first two installments, is receives only a producer credit on this one), but at times you wonder why these young adults keep wandering into dark corners and corridors when there's a killer running around. Don't they know what happens?

MOVIE: "THE TALENTED MR. RIPLEY"

GRADE: ***

Review: Matt Damon plays Tom Ripley, a human chameleon that changes his identity to make a better life for himself, while hurting other around him.

Damon's character is hired by a rich New Yorker to head off to Italy and bring back his son, played by Jude Law, who has

been rejecting work and living off an allowance. The two become fast friends, but soon Ripley begins to assume the other's identity, with dire consequences for both, as well as those around them.

Damon turns in a strong performance, as does Law. Gwyneth Paltrow turns in a lackluster performance as a Law's girlfriend, and she doesn't bring anything special to the part. The ending also leaves something to be desired.

MOVIE: "MAN ON THE MOON"

GRADE: ***

Review: Actor Jim Carrey brings comic Andy Kaufman back to life in this, a story of Kaufman's unique brand and style of humor.

Kaufman, best known for his role as 'Latka' on the television sitcom 'Taxi', was also known for creating situations where someone didn't know if a joke was being played on them or not.

Carrey becomes immersed in the role, taking on Kaufman's persona so perfectly that it is at times eerie. The film is funny enough, with some very comic moments, but doesn't do more than scratch the surface of who Kaufman was. You walk away wishing that it had examined why he did the outlandish things he did, rather than simply recreate them.

MOVIE: "ANY GIVEN SUN-

DAY"

GRADE: ***

Review: Director Oliver Stone has created a highly-charged, entertaining film about an aging coach in the increasingly glitzy and fast-paced world of the National Football League.

Al Pacino plays the veteran coach of the Miami Sharks, who can still get the best out of his players but whom new team owner Cameron Diaz thinks has lost his edge. Dennis Quaid plays the star quarterback that is reaching the end of his playing days, while a young quarter-

back, played to the hilt by Jamie Foxx, is looking to make himself into a superstar.

The film is helped by a strong performance from LL Cool J, but Diaz is a little tough to swallow as an NFL owner.

MOVIE: "STUART LITTLE"

GRADE: ***

Review: The classic children's tale by E.B. White is brought to life in a way that will delight both young and old moviegoers alike.

Michael J. Fox provides the voice of Stuart Little, a mouse who is adopted by the Little family, headed up by mom Geena Davis and dad Hugh Laurie. The story centers around Stuart's quest to fit in with a human family, and winning the support and love of new brother George, played by Jonathan Lipnicki (the kid from 'Jerry Maguire').

KIM SCARPA AND SUSAN REILLY, two of the top performers within the GMAC Real Estate Network, talk "Real Estate" with Dick Carlson.

"Susan and Kim are two of the top performance-proven professionals within the GMAC Real Estate Network - and a part of our long tradition of providing service above and beyond expectations," said Dick Carlson.

"They have demonstrated a commitment to growth by utilizing the tools, systems and programs offered by GMAC Real Estate. I am honored to present them with an award in recognition of their commitment to their customers and clients," said Carlson.

Carlson/GMAC Real Estate has a long and highly respected history in the North of Boston

area. Beginning over 35 years ago in Marblehead with one office, it has grown into a company comprised of over 70 offices and almost 2000 agents.

In Woburn it is located at the corner of Main Street and Mishawum Road in the Burdett Mansion, a location reflecting its professional attitude toward its customers and clients. It is now part of an international network of residential real estate companies known for providing outstanding customer service and industry-leading marketing programs.

More information is available from www.carlsonre.com.

Homes and Gardens. In the Fall of 1998, Carlson acquired two firms and 14 more offices in Western Massachusetts, Landry, Lyons, and Whyte/Better Homes and Gardens, and Stearns and Yerrall Real Estate to become Landry, Lyons, Stearns & Yerrall - giving Carlson market dominance in western Massachusetts.

In December 1998, Carlson Real Estate was acquired by GMAC Home Services at the

National Convention. In March of this year, Richard Carlson received a Company Growth Award and was presented with the first GMAC Home Services Keystone Award, as the first

company to join GMAC Home Services Real Estate Division. In June of this year, Carlson/GMAC Home Services, acquired the two largest real estate firms on Cape Cod, Kinlin Grover Properties and Bay Village Realty/Better Homes and Gardens, adding 14 strate-

gic Cape locations. GMAC's regional real estate subsidiary, Eastern Massachusetts Real Estate Inc., will now operate 66 offices serving Eastern and Western Massachusetts, Cape Cod, New Hampshire, Maine and Connecticut with more than 200 full-time employees and 1,300 real estate professionals. Richard Carlson is the President and Chief Executive Officer of the newly formed company. Carlson has grown from a single office into one of New England's premier real estate companies.

In Massachusetts

Multifamily home sales rise

The state's multifamily housing market continued to show sharp improvement in 1999 as sales of two-three and four-family homes increased 15.5% during the past year, rising from 6,500 units closed in 1998 to 7,508 last year, according to data compiled by the Massachusetts Association of Realtors (MAR). The annual increase reflects an eight-year trend of steady sales growth in the multifamily market, with last year's sales gain the largest since 1994 when sales rose nearly 27% in the Bay State.

"It's been a record year for home sales in Massachusetts, and that includes the multifamily market," said MAR President Fred Meyers. "Sales of multifamily homes have been particularly strong among single, first-time homebuyers and low-to-moderate income families. These groups are finding the additional income generated from two, three and four family properties makes them a more affordable entree into homeownership than a detached single-family home. The multifamily market also is quite popular with the state's burgeoning immigrant population because of the unique opportunities these homes offer households with their extended families."

Fueled by limited inventory in the single-family market, a strong rental housing market and more flexible down payment requirements for owner-occupied two and three family dwellings, the multifamily market remained extremely active throughout 1999. Sales of 2-4 family homes outpaced 1998 closing volume in all four quarters rising 29.5% in the first quarter, 17.4% in the second quarter, 8.7% in the third quarter and 11.6% in the final quarter of 1999 compared to the same periods a year earlier.

Multifamily sales also improved in six of seven market areas last year.

The MAR also found the total dollar volume for multifamily home sales increased 30.8% in 1999, climbing from

\$1,014,826,863 one year ago to \$1,327,532,430 in 1999. While specific price comparisons are not available for the two, three and four family home categories separately, the increase in dollar volume indicates property values for multifamily homes

rose, on average, 13.3% across the state last year to an average price of \$176,816 an increase that is consistent with average selling price gains in the single family market over the past year.

"It appears that the multifamily market has regained much of its former appeal and value," observed Meyer. "From entry-level buyers to established

investment property owners, it's become desirable to own two, three and four family homes once again. The final phase-out

We Know The BEST Spots

"We will meet or exceed our customers' expectations from their first point of contact to their return home from vacation."

NLG Service Philosophy

National Leisure Group, Inc. (NLG), a subsidiary of America West Holdings Corporation of Phoenix, Arizona, is a leading provider of the best cruise and vacation packages to a national client base. We sell over 165 million in vacations annually through our 29 retail locations, including The Vacation Outlet, Fierste's Basement, and through our 100-person sales center in Woburn, MA. Our goal at NLG is to become the country's leading provider of high quality, high value vacations under the brand name endorsement of credit card partners, retail locations and on the Internet.

NLG is committed to leading the travel sales industry by using the latest technologies wherever possible. If you like a dynamic, fun, environment and consider yourself a quick learner - you'll love it at NLG! We are currently accepting resumes for the following positions:

Travel Consultants

Travel Sales Consultant responsibilities include receiving incoming telephone calls from customers, qualifying each customer through a direct line of questions and presenting each customer vacation options that suit their needs and desires. Travel Consultants will quote prices and calculate costs accurately while maintaining the customer records and reservations on our in-house computer system. Paid training program begins May 8, 2000.

Marketing Assistant

The Marketing Assistant will prepare and distribute all weekly endorsement program booking/sales/web reports, monthly vendor co-op invoices and marketing summaries of expenses and revenues. The Marketing Assistant will also assist in the preparation and distribution of annual marketing proposals, and service partner VIP's, promotional and charity trip winners along with other administrative duties as necessary. Strong PC/Microsoft skills plus excellent attention to detail and previous administrative experience is required. NLG reservation system and travel/product knowledge a plus.

Passenger Operations Representatives

Great entry-level opportunity! You will work with internal departments and external vendors to guarantee "smooth sailing" every step of the way for the vacations booked by our customers by ensuring the timely delivery and accuracy of our customer's travel documents. Strong attention to detail is a must. Successful candidates will be trained on our in-house computer system, but prior experience in a Windows environment is beneficial.

Customer Service Representatives

You will handle all aspects of post-reservation phone calls and be responsible for making changes to existing reservations along with handling any client concerns/questions. Strong customer service, problem solving and verbal communication skills plus exceptional attention to detail, organizational ability and follow-up are required. Familiarity with Windows is also essential.

Customer Service Administrative Assistants

You will be responsible for assisting Customer Service Agents with administrative duties including processing all 3rd party authorizations, reviewing reservations with vendors, contacting vendors for passenger flight times, and assisting with weekly/monthly reporting. Qualified individuals will possess an exceptional attention to detail, organizational ability and follow-through, strong customer service and verbal communication skills and some computer knowledge.

Please contact us for information on additional temporary/permanent and full/part time opportunities.

With all this growth and ambition after more than 14 years in the travel business, you might think we are slowing down. WERE NOT! Let's just say we've found a few good spots to relax!

NLG offers competitive salaries and benefits, including **GREAT TRAVEL BENEFITS!** For more information on the above positions, or to apply, please forward resumes to: **National Leisure Group, 100 Sylvan Rd., Suite 600, Woburn, MA 01801.
